Data Analytics Program is endorsed by the Institute of Analytics (IOA), UK. The Graduates can apply for IoA Graduate Membership after the Successful completion. The Institute of Analytics (IoA) is the Professional Body for Analytics and Data Science professionals in UK and International. IoA is a not-for-profit organization that exists to promote greater awareness, understanding and innovation in Analytics. IoA is fully supported in its mission by leading organizations in the sector. The Institute of Analytics provides members with the opportunity to network with other professionals in the industry, to learn about career development opportunities, to share knowledge and expertise, to access Continuous Professional Development programs and to carry the official designation of membership.

- Analytics is the new buzzword for any business. The world is overflowing with data and anyone who can harness this data to benefit enterprises is highly sought after.
- There is a huge shortfall of trained analytics professionals in India and abroad
- Multi Industry/domain opportunities give a chance to select from a variety of industries that match students' interests.
- Competitive average salary, higher than that of any other IT domain.

Why IoA?

Here are just some of the reasons why you should choose IoA as your path to becoming a Data Scientist

- Use of official designation of the institute
- Global Recognition
- Invitations to all our networking events
- Access to Continuous Professional Development programmes and online portal
- Invitations to regular Industry briefings where industry experts share their insights, knowledge and experience
- Access to job opportunities
- Invitations to Annual & Regional Conferences
