SUCCESS MANTRA

Biyani's motto is to provide value-based education to the students so as to inculcate in them a scientific worldview and social consciousness and make them ethically, morally, intellectually, physically, and emotionally fit to thrive in a complex multicultural society.

Dr. Sanjay Biyani
Director (Academics)

Our mission is to support and enhance a cohesive global environment of research excellence where students and faculty are inspired and challenged to push the boundaries of knowledge creation and emerge as global leaders.

Dr. Manish Biyani
Director (R&D)

Positive attitude and continuous smart hard work can bring in transformative changes in personal and professional life. Choosing the right attitude and being goal orientated can build confidence and can help in leading a life of your dreams.

Dr. Rajeev Biyani
Chairman

FEEL THE POWER OF INTEGRITY

Honourable Ms. Pushpa Biyani
Chairperson

Mentor, completing eighteen years in the field of education with many accolades and without her guidance it would have not been possible to achieve success in such a short span. She is a lady pioneering the mission of "Youth Empowerment" who acts as the founder and guardian of Biyani Group of Colleges and Jaipur Health and Development Trust. At every juncture of the institution's journey she has provided her unprecedented guidance and motherly care to the students and staff members. She has always motivated every member of our institutions and helped inculcate moral and spiritual values.

Dr. Rajeev Biyani
(PhD, FCA, ACS)
Chairman

He is the Chairman of Biyani Group of Colleges and an Honorary Member and President of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. He plays a key role as a leader, mentor and inspiration, under whose guidance the college has reached its zenith of progress and development. Dr. Biyani intuitively sees the threads of opportunity that wind through an organization, brings them together into a coherent whole, helps others extend their thinking, and drives practical implementation.

Dr. Sanjay Biyani
(PhD, FCA, LLM, LLB, M.Com, MBA, PGDC)
Director (Academics)

He is the Director (Academics) of Biyani Group of Colleges, also a founder member and secretary of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. He is an excellent youth motivator and counselor, a corporate trainer with a talent for oration. Under his charismatic leadership, the institution is scaling new heights in academic excellence. He is an educational entrepreneur sowing seeds of entrepreneurship and leadership among the youth. He has influenced thousands of lives through seminars across the globe. His latest book "Swayam Ki Khoj" has added another gem to the wealth of his literary contribution.

Dr. Manish Biyani
(PhD, M.Tech)
Director (R&D)

He is the Director (Research & Development) of Biyani Group of Colleges, also a founder member of Biyani Shikshan Samiti and member of Jaipur Rural Health & Development Trust. He is a distinguished scientist with a career of over twenty years in Japan. He is a passionate educator and researcher who make a difference in the lives of young people every day by transforming them into research scholars. Dr. Biyani has done his M.E. in Genetics Engineering and Ph.D. in Biophysics from Japan. He has delivered lectures and talks in several international conferences in Japan, USA, Australia, France, China, India and many other countries across the globe. He has published numerous research papers in renowned National and International Journals.

PILLARS OF THE INSTITUTION

Dr. B. K. Maheshwari

(PhD, Post Doct. From Washington University, USA,
M.Tech, B.Tech)

He is an Honorary Member of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. He is senior most respected faculty member who leaves no stone unturned in providing our institute with his able guidance. He completed his M.E. from IIT, Roorkee (Gold Medalist) and Doctorate from Saitama University, Japan on "Geotechnical Earthquake Engineering". He has a vast teaching experience extending to Washington University (USA), BITS (Pilani) and IIT (Roorkee).

Dr. Neeta Maheshwari

(PhD, MBA, M.Com)

She is the Senior Principal of Biyani Girls College. She has completed her Doctorate from the University of Rajasthan, Jaipur on the topic 'Accounting Practices and Procedures of University in India' and Masters in Business Administration (MBA) from RTU, Kota. Dr. Maheshwari gives a rock solid foundation to the institution through her completely dedicated and disciplined nature. She maintains and develops activities relevant for effective teaching. She has published several books and articles in leading National and International journals.

Dr. Sujata Biyani

(PhD, MBA, M.Com.)

She is the Assistant Director of Biyani Group of Colleges and a founder member of the Biyani Shikshan Samiti and a member of Jaipur Rural Health & Development Trust. Her enthusiastic and charismatic support helps the institution flourish in all respects. Dr. Sujata Biyani creates a nurturing bond with all the faculty members and student body which gives them an encouraging and developing atmosphere to grow and enhance their skills. She has completed her PhD on the title "Marketing Strategies to enhance Awareness and Quality in Higher Education" from Rajasthan Technical University, Kota. Her positive attitude and practical approach helps the institute to reach its vision.

Ms. Priyanka Biyani

(MA, M.Ed, B.Ed)

She is the Assistant Director of Biyani Group of Colleges. She is a dedicated educationist who is engrossed in building each student's strength and confidence through her compassionate nature. She did her Masters in Arts (Sociology) and Masters in Education from University of Rajasthan. She is pursuing her doctorate in "A Comparative Study of Education System Based on Moral, Ethical, Religious value system emphasized in Bhagvad Gita and Present Context." She is an epitome of emotional intelligence and handles interpersonal relationship judiciously and empathetically within the institution.

Dr. Madhu Biyani

(PhD, BHMS)

She is the Assistant Director of Biyani Group of Colleges, She is a Physician and a Medical Scientist in Kanazawa University, Japan. She actively participates in all the Biotechnology Seminars organized in the Institution and enlightens the students and faculty members with her immense knowledge. She is also an Honorary Member of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. She ensures that the institution and faculty members are actively contributing to the Research development and taking the institute to new heights. She is instrumental in placing the institution at global front.

BIYANI INTERNATIONAL CONFERENCE (BICON-2022)

ESTABLISHMENT OF NEW RELATIONSHIP IN RESEARCH

Department of Science (Day-1)

Date: 21st January, 2023

Inaugural Ceremony

BICON is Biyani International Conference, which is held every year at Biyani Girls College, Jaipur, Rajasthan, India. This year institute organized the 17th anniversary of BICON from 21st January to 25th January 2023. The goal of the conference was to develop an interdisciplinary approach to fill the gap between the industry and academia. The first day of conference was organized by the Department of Science. The theme for day 1 was "Establishment of New Relationship in Research." The goal of BICON is to bring together top academics, Industrialists, researchers, and scientists to exchange information, create new approaches, and debate recent advancements in their respective fields. Collaboration between Industry and Academia will be encouraged by using futuristic pedagogies as well as stronger engagement between higher education and the industrial ecosystem. The Conference mainly focussed on Education, Psychological well-being, Faculty Capacity Building, Partnership, Skills, Employability, Research and Entrepreneurship. It aims to offer a fantastic

platform for receiving valuable input and a chance for connecting among researchers, academics, and industry leaders engaged in research and development.

Professor Manish Biyani addressed the audience and welcomed the Chief Guest Prof. J.P.Yadav, Vice Chancellor of Raj Rishi Bhartrihai Matsya University, Alwar; Guests of Honour Dr. Usha Dixit, Scientist-F at AI Division of Department of Science and Technology, Minister of Science & Technology, India; Mrs. Anita Kothari, Senior Vice Chairperson, Bhagwan Mahaveer Cancer Hospital and Research Centre, Jaipur; Chartered Accountant (CA) Mr. P.C. Modi, P C Modi & Company, Jaipur and other attendees. He described the breadth, upcoming initiatives, and his R&D contribution thus far.

The conference's keynote speaker, Prof. Masahiro Takagi from Japan Advanced Institute of Science and Technology (JAIST), Japan, led a detailed session on "Membrane Dynamics and Its Application to Biotechnology." He discussed the key findings of his research on the dynamics of surfactant membranes and described how to evaluate the irritation brought on by surfactants using the Corneal Cell Line Assay. He covered subjects like Langmuir-Blodgett,

cholesteric liquid crystals, lipid bilayer nature, and cell signal transmission in his lecture.

Oral Presentations were part of the conference's later sessions. On Day 1 of BICON 2022–23, researchers and students from several universities presented their theoretical and practical approaches to the following subthemes:

- Current Methods and Obstacles in the Search for New Cancer Drugs.
- New understandings of Material Functions at the Frontier of Active-Site Science.
- Experimental and Theoretical Investigations of Chemical Dynamics.

- Understanding the fundamental principles of molecular dynamics investigation.
- Drug Designing and Synthesis with a Focusing on Functions.
- Chemical Innovative Methods in Clinical Research & Molecular Medicine.

The student's cultural performance, the award ceremony, and the group picture session followed the oral presentations. Dr. Shilpa Bhargava (Convener Day-1) gave the closing remarks. The department extends its gratitude to the whole core management committee, the organising committee, the HODs, and the conference coordinators who carried out each and every assignment with the utmost diligence.

GLOBAL TRANSFORMATION OF HEALTH CARE SYSTEMS

Department of Pharmacy & Nursing (Day-2)

Date: 22 January 2023

On the day-2 Biyani Group of Colleges organized the BICON on the theme of "Global Transformation of Health Care Systems" on January 22nd, 2023. Ms. Jishu B. George, Vice Principal of the Department of Nursing, and Dr. Rambir Singh, Principal of the Biyani Institute of Pharmaceutical Sciences, served as the conference convener Day-2 for BICON 2023. A total of 440 students participated in the conference on this day, and a number of institutions, including Bio Seeds, Saitama University, Jaist Institutes, Akita Prefectural University, Kyushui University, Well Group, and Kyoto University, collaborated collectively.

The chief guest, Dr. Sudhir Bhandari, Vice Chancellor of

RUHS, Jaipur; special guest, Mr. Naveen Jain, Principal Secretary, Dept. of Panchatiraj, GoR; guest of honour Dr. Vishal Garg, Principal, School of Pharmacy, Maharaja Vinayak Global University, Jaipur lit the lamp to begin the conference. The BICON 2022–23 organising chair, Prof. Manish Biyani, gave the opening remarks.

The conference concentrated on the following sub-themes:

- Nursing Education Practise and Research
- Current Trends and Scope of Nursing Innovation.
- Opportunities and Challenges in Pharma Networks: Research Innovation and Technologies.
- Health Care Transformation: A Strategies Approach to Address the Rapidly Changing Health Care System

- Opportunities and Challenges in Medical Health and Technology: Research Innovations and Development
- Role of academia and the pharmaceutical industry in the development and research of new drugs.

Dr. Sudhir Bhandari, the chief guest, informed the audience about the present problems with healthcare systems and encouraged everyone, especially the nursing and pharmacy students, to work hard and make a positive contribution to society. Mr. Naveen Jain, the special guest, emphasised the need for additional personnel and technology to change the healthcare system. Dr. Sanjay Biyani, the academic director, gave a lecture on how to be excited and also expressed his thoughts on the many bodies that contribute to human health. The guest of honour, Dr. Vishal Garg, provided his opinions on how to improve and learn

education for nursing and pharmacy students.

Professor Blessy Varghese and Dr. Fumihiko Yokota received mementos from Ms. Jishu George, vice principal of the Biyani Nursing College. Dr. Manish Biyani gave Mr. Nikunj Kanani a memento, while Dr. Rambir Singh gave Dr. Naveen Kumar Garg a souvenir.

The conference came to a successful conclusion with an oral presentation honouring the students' great efforts. The top place in the oral presentation went to BSc nursing student Ms. Paridhi Shama. Another BSc Nursing student, Nisha Rathore, was given the second spot. Dr. Manish Biyani presented the prizes. Additionally, Dr. Manish Biyani presented prizes for the finest questions posed throughout the seminar. Dr. Rambir Singh gave a vote of gratitude at the end of the meeting, and the students performed a cultural traditional dance. The National Anthem and Hi-Tea marked the event's conclusion.

NEW HORIZONS FOR FUTURE IN SOCIAL SCIENCES

Department of Social Science & Law (Day-3)

Date: 23 January 2023

The conference was inaugurated by Dr. Rajiv Biyani, Chairman of the College, Dr. Sanjay Biyani (Director Academics), BICON convener Dr. Neha Pandey (Principal, Biyani Girls College) and convener of the Day of Social Sciences, Ms. Malti Saxena & Ms. Madhuri Sharma and all dignitaries by lamp lighting ceremony. The Department of Social Science and Law sponsored a seminar on this conference day. This conference was attended by over 350 students, researchers, and academics. Ten of the presenters were from India, while one was from Japan. The scholars submitted 46 research articles, and 10 of them were delivered by them.

Dr. Sanjay Biyani addressed to the students on the relevance of social sciences in everyday life. He discussed about how a person's principles reflect

their personality. He felicitated the keynote speaker Mr. Tanveer Ahmed, guest of honour Mr. Hemant Ambwani, and chief guest Prof. Sudhi Rajeev.

Dr. Manish Biyani presented the day's introduction. He covered the SDGs as well as the future of social sciences. He also discussed the close ties between Japan and India. Additionally, he emphasised on the value of academic and industrial partnership as well as skill development initiatives that would positively impact our economy.

Prof. Sudhi Rajeev, the chief guest and vice chancellor of the Dr. Bhimrao Ambedkar Law University and the Haridev Joshi University of Journalism and Mass Communication, presided over the opening ceremony. She educates us on the empowerment of women. Additionally, she spoke on career prospects, the value of

education, the impact of media on lifestyle, and Gandhiji's guiding principles. Mr. Tanveer Ahmed, a senior advocate, continued the session. "Future of ADR—Prospectus and Challenges" was the subject of his discussion.

Alternative Dispute Resolution is known as ADR.

He discussed the value of negotiating and therapy, noting that they offer both economic affordability and confidentiality.

The guest of honour Mr. Hemant Ambwani, Managing

Director, Mumla clothing brand. He discussed the traditional Japanese idea of wabi-sabi, which refers to a way of life that emphasises finding beauty in life's flaws and gently embracing the natural cycle of development and decay.

Additionally, our distinguished guest Dr. Fumihiko Yokota, Associate Professor and Research Promotion Coordinator, Kyushu University Institute for Asian and Oceanian Studies, Japan, led the illuminating session. All of the students and delegates present filled out a questionnaire that he administered to begin the session. Additionally, he discussed the significance of surveys and questionnaires. He also gave a PPT presentation while imparting his insightful expertise.

Students from Biyani Girls College did the lovely dance performance. The award ceremony and national anthem brought the session to a close. Ms. Madhuri Sharma (convener law) offered a vote of gratitude.

INTEGRATING INNOVATIVE BUSINESS & IT MODELS

Department of Commerce and Management, Information Technology (Day-4)

Date: 24 January 2023

The conference was opened by Dr. Rajiv Biyani (Chairman), Dr. Sanjay Biyani (Director, Academics), BICON convener Dr. Neha Pandey (Principal, Biyani Girls College), conveners of the day Dr. Pawan Patodiya, and Mr. Sachin Bagoria, along with all dignitaries.

Prof. (Dr.) Manish Biyani, Director of Research & Development for the Biyani Group of Colleges and Professor at JAIST in Japan, opened the conference's formal opening address by introducing the day's subject, "Integrating Innovative Business & IT Models." He addressed on the value of industry-academia collaboration,

which has the potential to have a beneficial influence on our economy, and the future of IT and commerce in light of the shifting global landscape and the close links between India and Japan. In his closing remarks, he expressed gratitude to the Chief Guest Dr. Sanjay Lodha, Guest of Honour Dr. A.K. Dwivedi, Special Guest Dr. Om Prakash Bairwa (IAS), and Keynote Speaker Dr. M.S. Verma for attending the event.

Dr. Sanjay Biyani, who inspired the students to acquire good communication skills, delivered a speech at the conclusion of the opening session. Additionally, he discussed the value of self-awareness and how it may help you live a happy and successful life.

In addition to 12 speakers from India and 3 from Japan, the conference was attended by over 350 students, researchers, and academics. The scholars submitted 74 research articles, of which 15 were delivered by them.

MoU Signing Ceremony

This special meeting was held to formally establish business ties with Nihon Software Pvt. Ltd. (Japan), Well Group (Japan), and Libit Solutions in order to provide students at the Biyani Group of Colleges experience to the industry. The Japanese resource participants, Ms. Sarbani Choudhary (Software Developer and Overseas Business Coordinator, Nihon Software, Japan), Mr. Yoshiho Kitagawa (President, Nihon Software, Japan), and Ms. Kanako Yoneda (Executive Vice President, Well Group, Japan), joined via a Zoom meeting and shared useful details about their organisations, including company overview, corporate philosophy, industrial partnerships in various sectors, work environment, and recruitment. The students were also informed by Mr. Anand Sethi, the founder of Libit Solutions, about his company, its future prospects, and the rising opportunities for a successful career in IT.

Dr. K.A. Goyal, Jai Narayan Vyas University, Jodhpur

spoke on the topic of Automation and Jobless Economic Growth: An Analysis. The conversation included topics such as automation, the economy's development cycle, the rise in the number of unemployed people and its impact on jobs, as well as the need to upskill human resources to prepare them for the workforce of the future.

The seminar was led by Mr. Dinesh Kumar, Director of Sales and Country Manager, SOTI, India. "Potential Commercial and Operational Models Industry and Academia Collaboration" was the topic of his presentation. The relevance of industry-academia collaboration in producing better professionals was discussed, as well as operational models of IE collaboration, career orientation, and personality development. There was also discussion of a case study on Winnovation: the most effective model.

Mr. Milind Agarwal, a cyber expert addressed on the subject of "Cyber Laws, Cyber Crime Investigation, Examining Digital Evidence, and Penetration Testing." It includes the Broken Windows Theory, the growth of cybercrime in its many manifestations, including ATM fraud, phishing, hacking, etc., and methods for user protection against these crimes, as well as data privacy.

Finally, Dr. Devika Agarwal (HOD, Commerce and Management Dept.) gave the day's final comments. The students presented a lovely cultural performance to highlight the richness of Indian culture in the conference.

NEW PERSPECTIVE IN EDUCATION INDUSTRY

Department of Education (Day-5)

The conference was opened by Dr. Rajiv Biyani (Chairman), Dr. Sanjay Biyani (Director, Academics), BICON convener Dr. Neha Pandey (Principal, Biyani Girls College), conveners of the day Dr. Ekta Pareek, and Dr. Ajit Kumar Jain, along with all dignitaries. The Saraswati Vandana and lighting of the lamp in front of "Maa Saraswati" served as the program's opening ceremonies.

Mr. Murari Lal Sharma, Deputy Commissioner SMS and Rajasthan School Education Council, Jaipur, served as the program's chief guest. Dr. B.L. Jain, Registrar, Jain Vishwa Bharati Institute, Nagaur, served as the program's main guest. Prof. Manish Biyani congratulated the visitors thereafter and suggested that we make reforms to our educational system, society, and curricula. A stunning demonstration of yoga by the yoga students followed this. Following this, Mr. Murari Lal Sharma, the principal visitor, gave his opinion. He used the CD of the snake as an example. According to him, students start to get irresponsible once they reach the college level, therefore at this point you should lead a life of austerity and take steps to achieve your goals. He advised us to be more cautious when approaching achievement.

Professor B.L. Jain then shared his opinions. He used the example of a flute to emphasise that we should think about national difficulties in the area of education and

that the flute was made of wood. However, it is our responsibility to give it life and turn the unseen into apparent. We should all be happy that just 20% of individuals have a grasp of the national education policy, according to him. We should learn things online and give information on academic and curricular choice, bared credit systems, etc. in innovation. We must embrace innovation and address the issues we face. Additionally, he discussed how values changed under the institution's director.

The difficulty of the new education policy was discussed by Dr. Dinesh Chahal, professor, department of education, school of education, Central University Haryana, Mahendragarh, Haryana. He spoke with the pupils. He declared that kids should receive higher education, but only the best education. Dr. Rajesh Kumar Academic and India Foundation talked at Technical Session-IV about how education may help close the gap between society and business. He asserted that educators could use technology.

Following this, Professor Manish Biyani discussed the success of this seminar. Following that, the institution's students performed a collective dance for those present. The institution's director, Dr. Sanjay Biyani, thanked all the visitors, students, researchers, and lecturers in this manner at the conclusion of the programme.
