FEEL THE POWER OF QUALITY EDUCATION

FROM THE DESK OF **CHAIRMAN**

Biyani Group of Colleges stands as a beacon of excellence in Rajasthan's educational landscape. We are committed to laying a robust academic foundation that fuels not just the growth of our nation but also fosters global connectivity through international education exchange. Our aspiration is to redefine academic benchmarks and equip our students with the holistic skills necessary to navigate the complexities of today's interconnected global economy.

Emphasizing personal development across all spheres of life, our esteemed faculty, characterized by dedication and expertise, endeavors to expand students' horizons, paving the way for individual triumphs and academic excellence. From its inception, the college has consistently scaled new heights of success.

Our commitment to translating ideas into action is evident through a spectrum of national, international, and state-level conferences, seminars, and

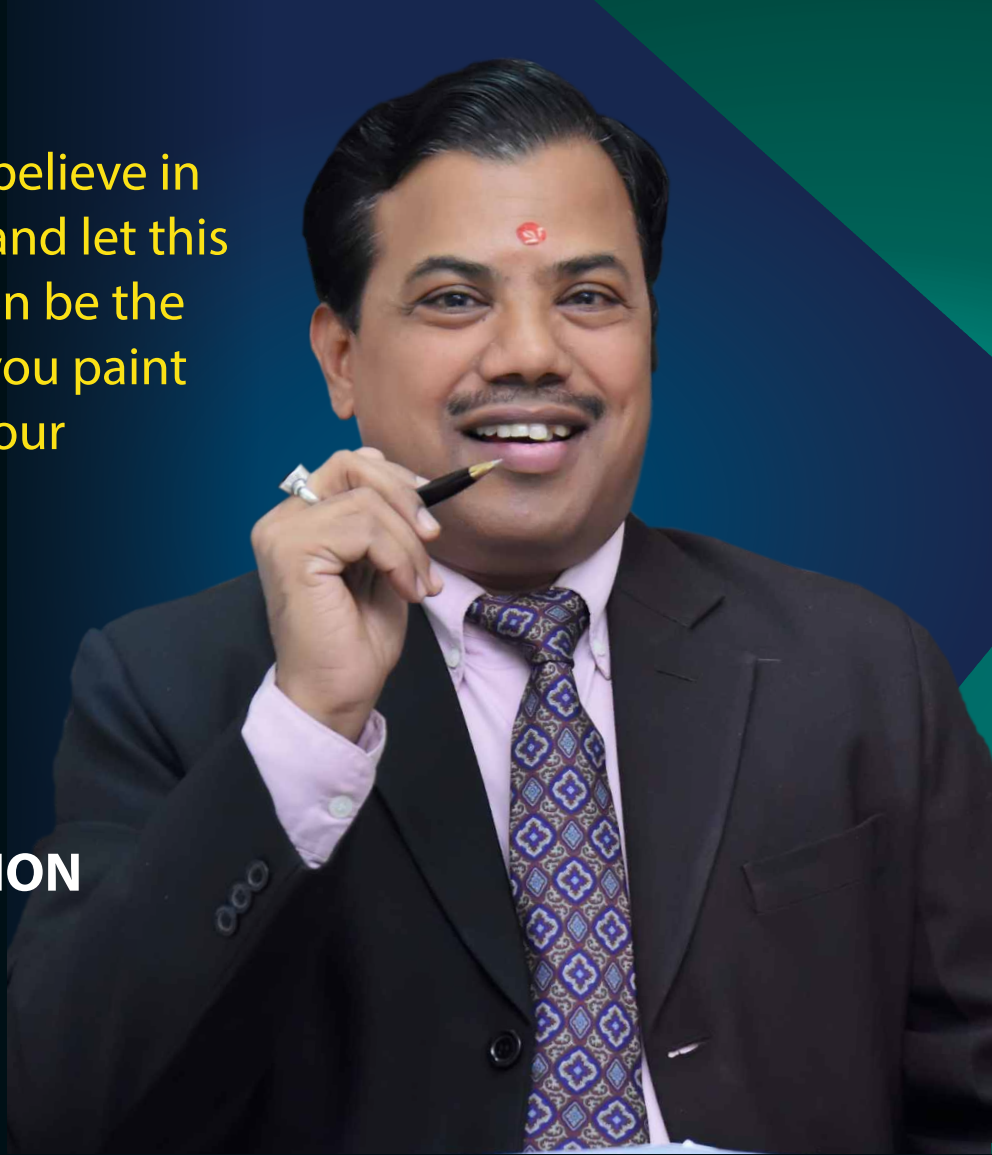

symposiums, fostering a conducive environment for learning and research.

The commendable track record of our job placement initiatives speaks volumes, with top organizations actively seeking talent from our institution. We extend heartfelt gratitude to our stakeholders - students, parents, faculty, staff, and society at large - whose unwavering support propels us towards greater achievements. Guided by our collective vision, we are poised for an exciting journey ahead, eager to witness the milestones we'll achieve together.

To the incoming class of 2024, a warm welcome awaits you at Biyani Group of Colleges, where trust and excellence converge. Best wishes for a rewarding academic journey ahead.

FEEL THE POWER OF TRUTH

FROM THE DESK OF
DIRECTOR (ACADEMICS)

Welcome to our academic community! As the Academic Director, I am excited to commence this journey of growth, learning, and accomplishment alongside each one of you. At Biyani Group of Colleges, our ethos revolves around not only nurturing academic prowess but also fostering a positive mindset and refining personal development.

Our institution is distinguished by its comprehensive approach to education. Beyond the pursuit of academic excellence, we prioritize personality development and offer a distinctive co-curricular program tailored to expand your horizons and ready you for the challenges ahead. Whether it's through leadership workshops, community service projects, or cultural activities, we provide abundant avenues for you to uncover your strengths, passions, and potential. We take pride in our balanced approach, which contributes to your holistic development, seamlessly integrating academics with extracurricular pursuits.

Our curriculum is meticulously crafted to equip you with the essential employability skills demanded by today's

competitive job market. From communication and collaboration to critical thinking and problem-solving, we ensure that you graduate not only with a qualification but also with the confidence and capability to excel in any professional sphere.

With tailored confidence-building strategies embedded within our curriculum, our aim is to furnish you with the tools and mindset necessary to thrive in any endeavor you undertake. Remember, your tenure here is more than just an accumulation of knowledge; it's a journey towards realizing your fullest potential. Embrace every opportunity, challenge your limits, and let your brilliance shine brightly.

Together, let's embark on this transformative expedition towards Learning, Growth, Success, and Fulfillment.

FEEL THE POWER OF TECHNOLOGY

FROM THE DESK OF
DIRECTOR (R&D)

Welcome to the forefront of innovation and exploration!

As the Director of Research and Development at Biyani Group of Colleges, it fills me with great pleasure to extend a heartfelt welcome to all the eager minds ready to immerse themselves in the realms of science and technology. Research and Development serve as the bedrock of progress across every domain. It is the propelling force behind innovation, pushing the boundaries of what is achievable and sculpting the future. Here at Biyani Group of Colleges, we deeply understand the pivotal role of R&D in fostering advancement, and we are dedicated to cultivating an environment where curiosity thrives and ideas blossom.

In our relentless pursuit of excellence, we take immense pride in offering a myriad of international opportunities in the fields of science, technology, and research. Through strategic partnerships and MOUs with esteemed national and international institutions, we afford our students unparalleled access to global

networks and resources. These collaborations unlock avenues to international conferences, collaborative ventures, and exchange programs, enriching their academic voyage and broadening their perspectives. I am particularly enthused about the plethora of opportunities awaiting our students in Japan. With its rich technological landscape and dynamic research milieu, Japan presents a treasure trove of possibilities for budding scientists and innovators. Through our endeavors, we aspire to equip our students with the skills and experiences requisite to thrive on the global stage, enhancing their employability and empowering them to effectuate a meaningful change in the world.

Welcome to Biyani Group of Colleges! Let us embark on this journey towards a future brimming with boundless opportunities!

FEEL THE POWER OF COMMITMENT

FROM THE DESK OF DEAN-STUDENT WELFARE & VICE - PRINCIPAL

“Procrastination may hinder your today and waste your tomorrow while proactive behaviour can bring in mental peace and accomplishment.”

Dare to be different, dare to be Extraordinary. The world needs your unique talents and contribution.” I am thrilled to welcome you all to Biyani Group of Colleges!, where positivity, moral, ethical, and spiritual principles are not just taught but ingrained into our curriculum.

At BGC, we strongly believe in shaping not just the minds but also the characters of our students. Our curriculum is meticulously crafted to instil love, compassion and care along with diversified and active co- curricular activities, confidence –building & leadership oriented programs ensuring that our students grow not just academically but also as compassionate and responsible individuals. Beyond the classrooms we have implemented various strategies to support our students' growth, including mentorship programs, industry –academia initiatives, and mindfulness practices. Together, let's embrace this new academic year with enthusiasm and dedication, knowing that we are shaping future-ready leaders who will positively impact the world.

Welcome to the most positive & Progressive Institute!

Sumedha

Dr. Sumedha Bajpai

Dean-Student Welfare & Vice - Principal

FROM THE DESK OF **ASSISTANT DIRECTOR**

“Curiosity to learn and keep discovering is the new way of life!”

Being passionate about education goes beyond mere academic learning; it encompasses diverse experiences that shape us into global leaders. Our fundamental purpose in life is to create value - value for the society. And this is what makes Science, Technology and Innovation an integral part of the sustainable society that we are creating for the future. As the next generation, we enthusiastically embrace the responsibility of promoting innovation that aligns with the needs of today's world.

True elegance lies not only in honing our professional skills but also in developing our interpersonal abilities. Drawing inspiration from my experiences in Japan, I envision a similar transformative journey for every individual at Biyani. It is my belief that every Biyanite should acquire not only technical expertise but also fundamental life lessons, empowering them to navigate the path ahead with confidence and resilience. At Biyani, we are committed to fostering a dynamic learning environment where our students become 'street-smart' rather than just 'book-smart'. Excellence is our guiding principle, and we continuously strive to empower Biyanites to excel in every facet of life.

I welcome you all to BeGyani at Biyani!

Dr. Radhika Biyani
Assistant Director

FROM THE DESK OF **ASSISTANT DIRECTOR**

“ The wisdom we gain in life is
a gift to pass along,
not to keep to ourselves ”

Genuine education transcends the confines of the classroom, bridging the gap between academic learning and real-world application. By integrating theoretical knowledge with diverse industrial and corporate exposures, coupled with the refinement of soft skills, we foster holistic development encompassing the body, mind, and spirit. Our mission is to enhance societal progress by nurturing a stable and forward-thinking community. Recognizing the uniqueness of each student's journey, our vision as the second generation is to cultivate young Biyanites into future leaders. We strive to understand the individual aspirations, potentials, and strengths of our students, empowering them to hone their entrepreneurial acumen, nurture creativity, and expand their horizons. Seize the knowledge and insights gained at Biyani and transform them into tangible realities. I extend a heartfelt welcome to you all to Biyani, where we nurture independent leaders of tomorrow. We eagerly anticipate the opportunity to meet you in person and acquaint you with the distinctive spirit that sets Biyani apart.

RICCA

TEST FAST... SMART...

'Lab-free Lab-quality'

PCR-like Isothermal saliva test in 30 min

Simple tests of infectiousness that return results in minutes and directly from samples even with low viral loads could be a potential game-changer in the fight against COVID-19. We have developed an improved isothermal nucleic acid amplification assay, termed the RICCA (RNA Isothermal Co-assisted and Coupled Amplification) reaction, that consists of a simple one-pot format of 'sample-in and result-out' with a primary focus on the detection of low copy numbers of RNA virus directly from saliva without the need for laboratory processing. In other words, RICCA is a PCR-like assay that is lab-free and gives lab-quality results in less than 30 minutes.

Zeo Mizu

Healthy Lives with Healthy Water

by Japanese Technology

Embrace the Zero-Waste, Zero-Electricity Smart Water Solution

ZeoMizu is a zeolite-based water filtration system, which ensures safe and clean drinking water for households and communities with remarkable efficiency and ease. This lightweight domestic prototype filter is fitted with four grade filters that removes not only solid impurities, toxic chemicals, odor & various disease causing bacteria/virus, but it removes multiple heavy metals and fluoride without wasting water or energy. It works on no electricity and no wastage of water.

RESEARCH IN SCIENCE

Our research group 'Biyani-Bio' is a joint venture of BioSeeds Corporation (Japan Company) and Biyani BioSolutions Pvt.Ltd. (India company). Biyani Bio's vision is to transform science from the realm of scientific laboratories to a commercialized product into the hands of people to address and resolve some of the most formidable and unreached societal environmental and healthcare challenges.

We service and manufacture on-site applicable, lifesaving biologicals, in-vitro diagnostic kits, and monitoring devices with state-of-the-art portable technology.

BioRun

World's first complete handheld Polyacrylamide-Gel-Electrophoresis System

- No gel preparation
- No external power supply
- 5 minute run time
- Real-time Gel documentation

BioMuRun is the all-in-one solution for Polyacrylamide Gel Electrophoresis (PAGE), offering rapid analysis of DNA and RNA in minutes. This comprehensive system ensures precise separation and visualization of nucleic acids, empowering scientists with the tools they need for accurate data interpretation and discovery. From routine laboratory tasks to research applications, this unique device provides unrivaled simplicity of use and exceptional performance capabilities.

DEPSOR-M

Sensitive by Nature, Powerful by Design

NAVIGATE THE WORLD OF
HEAVY METAL DETECTION WITH EASE

DEPSOR is Disposable Electrochemical Printed Sensor for rapid and simultaneous testing of multiple heavy metals. It provides a portable, rapid, and cost-effective way of detection of multiple heavy metals in environmental samples. The DEPSOR is powered by disposable screen-printed electrode chips (DEP chips) and compact PC software-controlled potentiostat which is user-friendly and offers the major electrochemical measuring techniques. These key features allow DEPSOR-M as the ideal tool for regular and in-house electrochemical monitoring of traces of heavy metal pollutants in drinking and food samples with ease.

ABOUT US

Background

Welcome to Biyani Shikshan Samiti, a dynamic institution committed to youth empowerment through technical and professional education. We are registered under the Rajasthan Society Registration Act, 1958 (Reg. No. 500/Jaipur/1997-98). Param Pujya Shri Kirit Bhajji laid the foundation stone of the college in February 2005, marking the beginning of a transformative journey towards excellence in education and empowerment.

Our journey began in 2005 when Biyani Girls College was established, affiliated to the University of Rajasthan. It has now increased its scope of education to include more specialized and professional courses within the Biyani Group of Colleges as:

1. Biyani Girls College
2. Biyani Institute of Science & Management
3. Biyani School of Nursing & Paramedical Science
4. Biyani Institute of Science & Management (Nursing)
5. Biyani Girls B.Ed. College
6. Biyani Institute of Skill Development
7. Biyani Institute of Yoga & Naturopathy
8. Biyani College of Science & Management (Co-Ed.)
9. Biyani Law College (Co-Ed.)
10. Biyani Institute of Physical Education (Co-Ed.)
11. Biyani Veterinary Medicine & Animal Science School (Co-Ed.)
12. Biyani Ayurvedic Medical College & Hospital (For Girls)
13. Biyani Pvt. ITI (Co-Ed.)
14. Biyani Institute of Pharmaceutical Sciences (Co-Ed.)
15. Jaipur Institute of Pharmacy (Co-Ed.)
16. Jaipur Institute of Skill & Rural Development (Co-Ed.)
17. Jaipur Institute of Yoga & Naturopathy (Co-Ed.)
18. Biyani Institute of Architecture & Design
19. Regional Driving Training Centre Sansthan
20. Biyani University

At Biyani, we are dedicated to nurturing talent, fostering creativity, and shaping future leaders. Join us on this journey of education, empowerment, and excellence.

PUBLICATIONS:

At Biyani Group of Colleges, we believe in the dissemination of knowledge and ideas through various publications aimed at enriching the academic and intellectual landscape. Here are some of our notable publications:

Biyani International Conference (BICON) Proceedings

Each year, we publish the proceedings of the BICON in the form of souvenirs, encompassing articles and research papers from eminent speakers and scholars across multidisciplinary domains. The conference serves as a prestigious platform for researchers to showcase their work and become part of the esteemed Indo-Japan intellectual and academic community.

Glimpses

Our annual report, 'Glimpses', offers a comprehensive account of the college's activities, events, and student achievements throughout the academic year, reflecting our commitment to transparency and accountability.

The Success Story of Kalpana Chawla

An annual publication dedicated to the inspiring life story of astronaut Late Kalpana Chawla, featuring rare pictures and facts. It serves as a motivational handbook for young girls, highlighting the remarkable journey of a trailblazer.

Think-Tank

Concept-based study material prepared by expert faculty members across departments, 'Think-Tank' is provided to students, featuring sample questions, MCQs, case studies, and assignments tailored to various streams including commerce, management, science, IT, social sciences, nursing, law, and education.

Biyani Times

A monthly newspaper with a nationwide circulation of over 30,000 copies, 'Biyani Times' delivers updated information on global events, college life and current affairs.

Books by Prof. Sanjay Biyani

Prof. Sanjay Biyani, an eminent author and academician, has authored several motivational books including 'Swyam Ki Khoj', 'Srimad Bhagavad Gita... Sanjay Ki Nazar Se', 'You Can Succeed', 'How to Strengthen Mind through Positivity', 'Why should I say Thank You', and 'Love & Feelings are Everything'. Additionally, his books such as 'Easy Approach to Income Tax', 'Easy Approach to Auditing', 'Fundamentals of Accounting', and 'Advanced Accounting' aim to enhance the understanding of commerce and management subjects among students.

These publications underscore our commitment to academic excellence, intellectual growth, and holistic development of our students.

STUDENT ENRICHMENT PROGRAMS :

Students' Advisory Bureau (SAB)

Under the guidance of an esteemed Advisory Committee comprising renowned and experienced members, our Student Advisory Bureau (SAB) serves as a cornerstone of student support. The SAB consists of highly qualified professionals adept at addressing a wide range of personal, psychological, and career-related concerns of

our students. Whether it's academic guidance, personal counseling, or career planning, the SAB provides invaluable support to students throughout their academic journey.

Various Committees

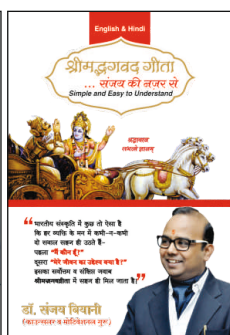

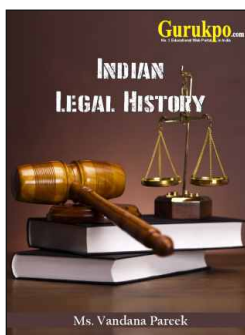

Recognizing the importance of effective management and coordination, we have established several committees to oversee various aspects of college life. These committees include the Anti-Ragging Committee, Discipline Committee, Industrial & Educational Tour Committee, Faculty Development Program (FDP) Committee, Cultural Committee, Research & Development (R&D) Committee, Sexual Harassment Redressal Committee, ST/SC Grievance Committee, Grievance Committee, and Housekeeping Committee. Each committee plays a crucial role in ensuring the smooth functioning of both academic and non-academic activities, contributing to a conducive learning environment for our students.

Placement Support Cell (PSC)

Our Placement Support Cell (PSC) is dedicated to enhancing the employability of our students and facilitating their transition into the professional world. Comprising a qualified and vibrant team of professionals, the PSC organizes national and international training programs aimed at equipping students with the necessary skills and knowledge demanded by the industry. From organizing campus placements and arranging pre-placement talks to conducting mock interviews and grooming sessions, the PSC provides comprehensive support to students at every stage of the placement process.

Scholarships

At Biyani Shikshan Samiti, we believe in recognizing and rewarding academic excellence. To encourage and motivate meritorious students, we offer scholarships to deserving candidates. As part of our scholarship program, we provide tuition fee waivers to girls who have excelled in their academic pursuits. Students who secure more than 90% marks in their 12th board examinations are eligible for a 25% tuition fee waiver, while those scoring between 80-89% marks receive a 20% waiver and between 70-79% marks receive a 15% waiver in the first semester of their admission.

Kalpana Chawla Awards

In honor of the pioneering spirit and achievements of the late astronaut Kalpana Chawla, Biyani Shikshan Samiti has been organizing the Kalpana Chawla Awards for the past 18 years. This prestigious award is conferred upon girls who secure first division in their 12th board examinations. Late Mr. B.L. Chawla, father of Kalpana Chawla, used to grace the occasion as the chief guest, inspiring, motivating & awarding students to strive for excellence in their academic pursuits.

Personality Enhancement Programme (PEP) & Industry Oriented Programme (IOP)

Integral components of our curriculum, the Personality Enhancement Programme (PEP) and Industry Oriented Programme (IOP) are meticulously designed to enhance the overall personality and employability of our students. Throughout the academic year, we host a series of workshops, seminars, and interactive sessions conducted by renowned professionals and industry experts. These sessions focus on a wide range of soft skills development areas including communication skills, leadership qualities, time management, problem-solving abilities, and emotional intelligence. By equipping our students with these essential skills, we empower them to navigate the complexities of the professional world with confidence and competence.

Entrepreneurship Development Cell (EDC)

At Biyani Group of Colleges, we recognize the importance of fostering an entrepreneurial mindset among our students. Our Entrepreneurship Development Cell (EDC) serves as a dynamic platform for nurturing innovative ideas and inspiring the next generation of entrepreneurs. Supported by the Government of Rajasthan, the EDC provides a conducive environment for students to ideate, innovate, and transform their entrepreneurial dreams into reality. Through a series of workshops, mentorship programs, and networking opportunities, we empower our students to embark on entrepreneurial ventures and

contribute to economic growth and job creation.

Indo-Japan Technical Internship Training Programme

Our institution takes pride in being a recognized Sending Organisation for skilled youths participating in the Indo-Japan Technical Internship Training Programme. Monitored by the Ministry of Skill Development and Entrepreneurship, New Delhi, and the National Skill Development Council (NSDC), this program offers students invaluable opportunities to gain hands-on experience and advanced training in leading Japanese organizations. Through strategic collaborations and partnerships, students acquire specialized skills, cultural insights, and international exposure, positioning them as global citizens ready to thrive in the competitive global marketplace.

Skill Development Programme

As a proactive partner in the Skill India Mission, we have established the Biyani Institute of Skill Development and Jaipur Institute of Skill and Rural Development. These institutes offer a wide range of skill development courses up to B.Voc. level, catering to the diverse needs and aspirations of our students. With a focus on industry-relevant skills and practical training, these programs equip our students with the competencies needed to excel in various sectors, both domestically and internationally.

Industrial Visits

Our curriculum includes regular industrial visits, providing students with invaluable insights into real-world industry practices and operations. Through guided tours, interactive sessions, and hands-on experiences, students gain a deeper understanding of theoretical concepts and their practical applications in diverse industry settings. These visits not only enhance students' academic learning but also broaden their perspectives and prepare them for future careers in their chosen fields.

Educational Excursions

Every year, we organize educational excursions to diverse destinations within India and abroad, offering students immersive experiences and opportunities for personal and cultural enrichment. From historical and cultural landmarks to industrial hubs and scenic locales, these excursions provide students with a platform to explore, learn, and grow beyond the confines of the classroom. Through interactions with local communities, cultural immersion activities, and experiential learning opportunities, students gain a deeper appreciation for global diversity and develop a broader worldview.

Beyond Classroom Activities

We believe that true learning extends beyond the confines of the classroom. To provide students with holistic development opportunities, we incorporate various extracurricular and co-curricular activities into our academic curriculum. These activities include National Service Scheme (NSS) initiatives, educational trips, industrial visits, Personality Enhancement Programs (PEP), Skill Enhancement Programs (SEP), and Industry Orientation Programs (IOP). Through these activities, students develop essential professional and interpersonal skills, preparing them to excel in the competitive world beyond academia.

Student Council

To foster leadership skills and empower students to become future managers and leaders, we appoint a Student Council each academic year. Comprising positions such as President, Vice President, Secretary, Joint Secretary, Cultural Head, Technical Head, Sports Head, Placement Head, and Treasurer, the Student Council plays a pivotal role in organizing and managing various events and activities throughout the year. The Student Council is further divided into sixteen clubheads, covering diverse interests including finance, photography, fashion, media, health & laughter, technology, sports, dance, dramatics, environment, mathematics, language & literature, fine arts,

music, entrepreneurship, and research. Through active participation in club activities and events, students have ample opportunities to develop leadership skills, foster teamwork, and showcase their talents.

Educational Loans for Students

At Biyani Group of Colleges, we are committed to supporting the academic progress of our students, especially those who are financially challenged yet academically meritorious. To ensure access to quality education for all, we facilitate the process of obtaining educational loans from nationalized and private banks such as ICICI, HDFC Bank, State Bank of India, and Axis Bank. These banks prioritize educational loans for our students based on eligibility criteria and norms. Additionally, for students residing outside Jaipur, we assist in collecting and processing loan applications through respective bank branches/offices on a priority basis. Students can conveniently apply for educational loans through online application portals provided by various banks. For further assistance and details regarding educational loans, students are encouraged to reach out to the college.

Government Cooperation and Support

Recognizing the commendable efforts of Biyani Group of Colleges in creating opportunities and shaping the future of youth, the Government of Rajasthan has extended its support to our institution. The Biyani Shikshan Samiti is on the verge of achieving the status of Biyani University, pending approval from local legislation in the upcoming session. Additionally, our institution has received funding from the Department of Science and Technology for various biotechnology projects. The Department of IT, Government of Rajasthan, has also funded the Biyani Entrepreneurship Cell and Incubation Centre to foster an entrepreneurial ecosystem within our organization. Furthermore, we are proud to be approved training partners of NSDC, AICTE, New Delhi, and RSLDC, Government of Rajasthan, for implementing various skill development courses for youth empowerment.

ICSI Study Centre

Biyani Shikshan Samiti has collaborated with the Institute of Company Secretaries of India (ICSI), Jaipur chapter, to establish our Vidhyadhar Nagar campus as the study center for Company Secretary courses, facilitating professional education and training opportunities for aspiring Company Secretaries.

INFRASTRUCTURE:

Our college library offers access to an extensive collection of over 1,10,000 books, journals, and magazines authored by renowned Indian and foreign scholars. Continuously enriched with new additions in every discipline, the library serves as a treasure trove of knowledge and resources for our students. Embracing technological advancements, we have developed an e-library providing access to e-learning resources such as audio-video lectures and e-books. Through platforms like ICSI STUDY CENTRE www.gurukpo.com and our college website, students can access a plethora of video lectures and educational materials. Additionally, our library holds DELNET membership, enabling access to a vast repository of journals, research papers, books, and articles.

Chemistry Laboratory

Our Chemistry Laboratory is meticulously organized and properly ventilated to provide a conducive environment for practical experimentation. Stocked with all the

necessary chemicals and apparatus including Kipp's Apparatus, Distillation Apparatus, Analytical Balance, and Micropipettes, students have access to the tools required to conduct experiments across various disciplines of chemistry. The laboratory is equipped with state-of-the-art instruments such as UV/Vis Spectrophotometer, Ultracentrifuge, Rotatory Shaker, and Electronic Weighing Balance, facilitating undergraduate and postgraduate experiments with sophistication and precision. With our well-equipped laboratories, students have the opportunity to engage in hands-on learning experiences, conduct research, and develop practical skills essential for their academic and professional growth.

Botany Laboratory

Our Botany Laboratory is meticulously designed to facilitate immersive learning experiences for our students. Equipped with various models and botanical charts, the laboratory provides a conducive environment for easy understanding of complex botanical concepts. To enhance practical learning, the lab features state-of-the-art equipment including a Digital pH Meter, Rotary Shaker, Laminar Air Flow, and Digital Electronic Weighing Balance, enabling students to conduct a wide range of botany experiments with precision and accuracy. Furthermore, the laboratory houses a diverse collection of plant specimens, slides, charts, and models, supplemented by advanced equipment such as an Electronic Microscope and Microtome, ensuring comprehensive exploration and study of botanical sciences.

Zoology Laboratory

Our Zoology Laboratory is equipped with cutting-edge instrumentation and resources to facilitate hands-on learning experiences for our students. From Microtomes and Light Microscopes to Centrifuge Machines and Electrophoresis units, the laboratory is fully equipped to support diverse experimental requirements in zoological studies. Complemented by an extensive collection of museum specimens, microscopes, slides, charts, and models, the laboratory provides a platform for students to engage in practical demonstrations and exploration of zoological concepts with depth and clarity.

Genome Profiling (GP) Laboratory

The college proudly offers a state-of-the-art Genome Profiling (GP) Laboratory, outfitted with crucial infrastructure such as Laminar Air Flow systems, Autoclaves, Rotator Shakers, and Culture Chambers. This cutting-edge facility enables extensive hands-on experimentation in key biotechnological processes, including Bacterial Culture, Polymerase Chain Reaction (PCR), UV-Spectrophotometry, and RICCA. Through immersive practical work and rigorous research, students acquire deep, invaluable knowledge, equipping them for successful careers in the dynamic field of Biotechnology.

Physics Laboratory

Our Physics Laboratory is equipped with a comprehensive range of instruments and resources to support practical learning in various domains of physics. From Digital Electronics and Semiconductor Devices to Optical Devices and Electrical Circuits, the laboratory houses advanced equipment necessary for conducting experiments and investigations in physics. With an array of display boards, circuit diagrams, and practical charts, students are provided with ample opportunities to

explore and apply theoretical concepts in real-world experiments, fostering a deeper understanding and appreciation of the principles of physics.

Computer Laboratory

At Biyani Group of Colleges, our state-of-the-art computer laboratories are equipped with cutting-edge facilities to cater to the diverse technological needs of our students. With six dedicated labs housing over 700 computers, each equipped with 1-5 processors, we provide a dynamic learning environment where students can harness the power of modern computing technologies. Additionally, our labs feature a 24x7 leased line internet facility, ensuring uninterrupted access to online resources for both students and faculty members. Furthermore, we offer specialized labs for Microsoft Office Specialist online examinations and Tally Certification, providing students with opportunities to acquire industry-recognized credentials in software proficiency.

Through hands-on experience in various aspects of TV production, students gain valuable insights and skills, contributing to their professional development.

Utsav (Auditorium)

'Utsav', our centrally air-conditioned auditorium, serves as the focal point for all major college events and gatherings. With modern multimedia facilities, comfortable seating arrangements, and a seating capacity of over 550 people, Utsav provides an ideal venue for hosting a wide range of events, including seminars, conferences, workshops, cultural programs, and academic ceremonies. Its pleasant ambiance and advanced amenities create an enriching environment for students, faculty, and guests alike, fostering collaboration, creativity, and excellence in every endeavour.

Manthan (Conference Hall)

'Manthan' stands as a versatile conference hall within our campus, accommodating up to 100 individuals. This air-conditioned facility is well-equipped to host a variety of events including meetings, conferences, guest lectures, presentations, and workshops. With modern amenities and ample space, Manthan provides an ideal setting for fruitful discussions and knowledge exchange.

Cafeteria

Our campus boasts a hygienic cafeteria, serving a delectable array of healthy dishes throughout the day. A popular hangout spot for both hostellers and day-scholars, the cafeteria offers a welcoming environment for students to relax, socialize, and refuel amidst their busy schedules.

Anand (Mess-cum-Recreation Hall)

Designed to foster a sense of community and belonging among hostellers, 'Anand' serves as a dedicated mess-cum-recreation hall attached to our hostel facilities. Here, students can unwind and socialize while enjoying delicious meals in a familial atmosphere.

Equipped with a television, Anand provides hostellers with a source of entertainment and relaxation, ensuring a stress-free environment for leisure activities.

Gymnasium

We prioritize daily exercise for holistic well-being. Here, at Biyani we have our Gym Area, promoting regular exercise to reduce stress, enhance mood, and to boost overall vitality. By committing to daily workouts, you invest in long-term health and happiness.

Hostel Accommodation

The college offers three well-appointed hostels catering to the accommodation needs of both male and female students. Situated in Vidhyadhar Nagar for girls, Kalwar for boys, and Champapura exclusively for boys, each hostel provides a comfortable and conducive living environment. The girls' hostel comprises three blocks, while the boys' hostels offer spacious and well-ventilated rooms furnished with wooden tables, chairs, beds, and wardrobes. Students can opt for four/six bedded air-cooled rooms with attached toilets and bathrooms. Our hostel facilities aim to nurture a positive mindset alongside delivering quality education, fostering a vibrant and homely atmosphere. Additionally, we organize various recreational activities such as excursions, meditation sessions, and exercises to promote holistic development among hostellers.

Transportation Services

Recognizing the importance of stress-free education, the Biyani Group of Colleges provides transportation facilities for students residing in and around Jaipur. Our efficient transport system ensures hassle-free commuting, enabling students to focus on their academic pursuits without worrying about travel logistics.

Uniform Policy

In line with our commitment to creating a disciplined atmosphere on campus, the college has implemented a prescribed professional dress code for both students and staff members. The uniform not only fosters a sense of unity and team spirit but also reinforces the values of professionalism and academic integrity within our institution.

Spirituality is something that is to be cherished and taken from generation to generation. Since ages, we have been blessed with rich spiritual values. We being Indians, need to carry our precious, valuable and luminous values. For inculcating the same spirit in our students, an idol of Goddess Saraswati is placed in the reception area of the main college campus. A temple of Lord Hanuman & Lord Shiva was constructed in the college premises known as "Guru Hanuman Temple" to imbibe an unshakeable faith in the omnipresent superpower on 30th April 2009.

With the homey yet lively atmosphere that encourages positive peer conversations, the Biyani Group of Colleges provides residential hostel facility for girls arriving from all over the country . We at Biyani Group of Colleges offer safe, secure, and friendly environment. We have 700 hostel seats available with well furnished single/double/triple/quad sharing room that are well equipped with a number of amenities.

VOICE OF THE STUDENTS

My Life at Biyani Institute of Science & Management was awesome. My 5yr journey experience at BISMA was great and memorable. The best thing about the college was being a part of supportive environment, where everyone focused, helped each other and I was encouraged to succeed as individual. The relationship between faculty and students was very cordial and vibrant. There is International Student Cell facility at Institutional level, which is taking care of all students and always ready to solve their problems.

Hi, I am Muskan Vashishta, a proud Postgraduate from the Biyani Group of Colleges, class of 2021-2023. Throughout my academic journey, I was lucky to have outstanding mentors who continually motivated and supported me, helping me achieve my best.

At Biyani Group of Colleges, I explored various aspects of business, with a dual focus in Marketing and HR. This comprehensive education fueled my passion and directed me towards my career goals. Currently, I am working as an Operations Manager at Coding Ninjas. Managing personnel and streamlining operations can be challenging, but the workshops and industry interactions provided by the college were invaluable in preparing me for these tasks.

The MBA program at Biyani Group of Colleges is meticulously designed to bridge the gap between theoretical knowledge and practical application. The curriculum in Finance covered an extensive range of topics including financial management, investment analysis, risk management, and corporate finance. These courses provided me with a robust understanding of financial principles and the analytical skills required to make strategic financial decisions. The emphasis on real-world case studies and simulations was instrumental in developing my ability to analyse complex financial scenarios, a skill that I apply daily in my role as a Credit Manager at AU Bank.

Nidhi Kuri

Biyani Group of Colleges also places a strong emphasis on extracurricular activities and holistic development. Participating in seminars, workshops, and conferences on contemporary business issues and emerging trends broadened my perspective and deepened my understanding of the business environment. These events were not only educational but also excellent networking opportunities, helping me build connections with industry leaders and peers.

सिटी रिपोर्टर। विद्यार्थ नगर स्थित विद्यापीठ गर्ल्स कॉलेज में 4 दिवसीय डेडो-जापान इंटरनेशनल कॉमिंस बाईकॉन का आयोजन हुआ। इस दौरान चौक गैंग के रूप में रिटार्ड्ड सेशन कोर्ट जज डॉ. कमला देव रही। कॉमिंस में आखिरी दिन डाइरेक्टर डॉ. संजय विद्यापीठ ने कृष्ण के बारे में कहा कि जैसे कृष्ण ने धर्म महाभारत में अनुभूति को जान वैसी ही हमें अपने जीवन में धर्म प्रेम को महत्ता को जानना चाहिए अपने आपना चाहिए। इसी साथ उन्होंने कहा कि ज्ञान के विनम्रता का होना जरूरी है।

MEDIA REMARKS

1. Biyani Group of Colleges has spread its wings over the whole state and has been playing a major role in education of the youth of country. The major asset of the college is that with academics other professional courses are also taken up as an integral part of the curriculum.
—Dainik Bhaskar
2. Biyani Group of Colleges provides skill-oriented & professional education of international quality to the students, with their vision of women empowerment. With this aim they have provided the best infrastructure & facilities, highly experienced faculty, Hi-tech classrooms & workshops.
—Rajasthan Patrika
3. We appreciate the variety of events like DANDIYA, ANNUAL FUNCTION, and INDO-JAPAN Conference, organized at Biyani Campus. We are really impressed by the young girl students, their energy level and enthusiasm. There is a lot of positive energy and vibration in this college.
—ETV Rajasthan
4. Biyani Girls College is making a tremendous effort in bringing industry and world technologists on a platform accessible to students, which is simply awesome.
—Dainik Navjyoti
5. Guru KPO, an educational search engine, has been developed by Biyani Girls College to provide study materials to the students so that their problems can be solved. Prof. Sanjay Biyani, Director, has pioneered the concept of providing free learning to the students on different topics and subjects in short span of time. The website www.gurukpo.com helps the students to gain knowledge through E-learning. —Etv-Rajasthan
6. With the changing times, the infrastructures of the college campuses of the private colleges are turning into five star campuses. WI-FI, Cafeterias, LCD Projectors, Theaters, Auditorium, Gymnasium etc... have become an integral part of these colleges. One such college is Biyani Girls College.
—Times of India
7. Biyani College is the fastest growing college in Rajasthan and is very prompt in organizing Guest Lectures on regular basis, which is very important to keep the students updated about the current events.
—DD News
8. Biyani Group of Colleges is doing commendable work to educate women and provide quality education for making world leaders.
—National Dunia
9. The present era can be best defined as an era of competition. In the current wave of globalization there are many job opportunities awaiting the youth, but the youth brigade needs to be geared up for the jobs in MNCs & other Corporate sector. Biyani Girls College has taken a big leap in this sector to prepare industry tailored youth.
—Daily News
10. We congratulate Biyani Group of Colleges for excelling in the field of education and providing exemplary placement services to the students pursuing professional courses.
—Morning News
