BIYANI TIMES – GREEN INNOVATION COMPETITION

“Think Green. Create Smart. Inspire Change.”

No. 65

Date : 15-09-2026

The **Journalism Department, Biyani Group of Colleges**, publishes **Biyani Times** every month. This month, under the inspiring vision of **Respected Sakshi Ma'am**, we are taking a step towards encouraging students to think creatively and contribute ideas for a more sustainable future.

We invite all students to participate in the **“Green Innovation Competition”** by submitting their **original ideas, innovations, and practical solutions** on sustainable living and responsible resource management.

Ideas can focus on:

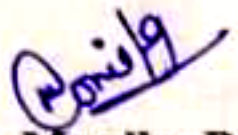

- ⚡ **Reducing Energy Consumption**
- ☐ **Minimising Paper Usage**
- ☐ **Preventing Food Waste**
- ☐ **Saving and Reusing Water**
- ☐ **Reducing Plastic Consumption**
- ☐ **Waste Management**
- ☐ **Recycling & Upcycling**
- ☐ **Sustainable Resource Management**

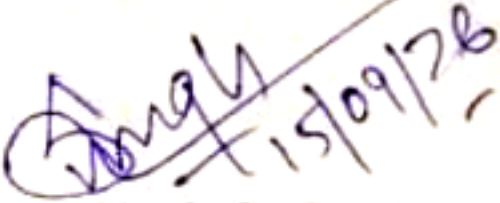

Students are encouraged to think beyond conventional solutions and present **their own creative, practical, and innovative ideas** that can make a positive difference in our college, community, or environment.

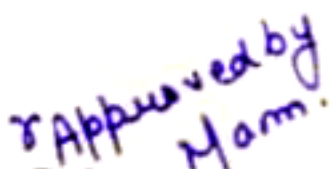

☐ **Submit your original article/idea to:** Department of Journalism and Mass Communication

☐ **Last Date:** 18th September 2026

☐ **Selected ideas may be featured in the upcoming edition of Biyani Times and will be awarded.**
