The Literature Club is delighted to announce a spine-chilling Halloween celebration on **31st October 2026**! Get ready for an evening of eerie creativity, haunting tales, and Halloween magic as we bring together lovers of literature, art, and all things spooky.

Students are invited to participate in our **Spooky Bookmark Designing** and **Horror Storytelling** competitions. Whether you love crafting creepy creations or narrating tales that send shivers down everyone's spine, this is your chance to unleash your imagination!

**COMPETITIONS**

1. **Spooky Bookmark Designing**
   Design your own Halloween-themed bookmark during the event. Let your creativity run wild with haunted houses, eerie forests, ghosts, pumpkins, witches, and other mysterious inspirations.
2. **Horror Storytelling**
   Bring a story to life through your narration! Participants may narrate either a published horror story or an original story of their own. Suspense, atmosphere, and storytelling flair are encouraged.

So, sharpen your pencils, summon your imagination, and prepare your most haunting tales. Join us for a celebration where creativity meets the creepy and every story has a dark little secret!
