## Hands-on Workshop on Front-End Web Designing

All students of **BCA** are hereby informed that the college is organising a 10-Day Hands-on Workshop on Front-End Web Designing in collaboration with an industry partner. The workshop will be conducted by an industry expert with over 20 years of experience in web development.

During this workshop, students will gain practical knowledge of developing and hosting websites using HTML, CSS and JavaScript. Students will also learn how to upload their websites on GitHub.

**Workshop Details:**
**Workshop Dates: 2, 3, 4, 7, 8, 9, 10,11,12,14 December**
**Time: 2:00 PM to 3:30 PM**
**Venue: A Block Computer Lab**

**Important Instructions:**

1. Attendance is compulsory for all students.
2. An industry certificate will be provided only to students who maintain 100% attendance.
3. Students must successfully develop and submit the assigned website project during the workshop.

The college is bearing the workshop cost, so it will be completely FREE of cost for students, despite the significant cost involved in organising this industry-oriented training.

All students are encouraged to take full advantage of this opportunity to develop practical web designing skills and enhance their industry readiness.
