Pillars of The Institution

Hon. Smt. Pushpa Biyani

Chairperson

Mentor, completing eighteen years in the field of education with many recognitions. Without her guidance it would have not been possible to achieve success in such a short span. A lady pioneering the mission of "Youth Empowerment" who acts as the founder and guardian of Biyani Group of Colleges and Jaipur Rural Health and Development Trust. At every juncture of the institution's journey she has provided her unprecedented guidance and motherly care to the students and staff members. She has always motivated every member of the institutions and helped inculcate moral and spiritual values.

Chairman of Biyani Group of Colleges and an Honorary Member, President of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. He plays a key role as a leader, mentor and inspiration, under whose guidance the college has reached its zenith of progress and development. Dr. Biyani intuitively sees the threads of opportunity that wind through an organization, bring them together into a coherent whole, help others extend their thinking, and drives practical implementation.

Dr. Rajeev Biyani

Ph.D., FCA, ACS
Chairman

Dr. Sanjay Biyani

Ph.D., FCA, LLM, MBA, PGDC
Director (Academics)

Director (Academics) of Biyani Group of Colleges, also a founder member and secretary of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. He is an excellent youth motivator and counselor, a corporate trainer with a talent for oration. Under his charismatic leadership, the institution is scaling new heights in academic excellence. An educational entrepreneur sowing seeds of entrepreneurship and leadership among the youth. He has influenced thousands of lives through seminars across the globe. His latest book "Swayam Ki Khoj" is another gem to his wealth of literary contribution.

Director (Research & Development) of Biyani Group of Colleges, also a founder member of Biyani Shikshan Samiti and member of Jaipur Rural Health & Development Trust. He is a distinguished scientist with a career of over twenty five years in Japan. He is a passionate educator and researcher who makes a difference in the lives of young people every day by transforming them into research scholars. He has delivered lectures and talks in several international conferences in Japan, USA, Australia, France, China, India and many other countries across the globe. He has published numerous research papers in renowned National and International Journals.

Dr. Manish Biyani

Ph.D., M.Tech
Director (R&D)

Pillars of The Institution

Dr. B. K. Maheshwari
Ph.D., M.Tech (Advisor)

Honorary Member of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. He is a senior faculty member who leaves no stone unturned in providing our institute with his able guidance. He completed his M.E. from IIT, Roorkee (Gold Medalist) and Doctorate from Saitama University, Japan on "Geotechnical Earthquake Engineering". He has a vast teaching experience extending to Washington University (USA), BITS (Pilani) and IIT (Roorkee).

Senior Principal of Biyani Girls College. She has completed her Doctorate from the University of Rajasthan, Jaipur. Dr. Maheshwari gives a rock solid foundation to the institution through her completely dedicated and disciplined nature. She maintains and develops activities relevant for effective teaching. She has published several books and articles in leading National and International journals.

Dr. Neeta Maheshwari
Ph.D., MBA, M.Com
Senior Principal

Dr. Sujata Biyani
Ph.D., MBA, M.Com.
Deputy Director

Assistant Director of Biyani Group of Colleges and a founder member of the Biyani Shikshan Samiti, a member of Jaipur Rural Health & Development Trust. She has completed her PhD from Rajasthan Technical University, Kota. Her enthusiastic and charismatic support helps the institution flourish in all respects. Dr. Sujata Biyani creates a nurturing bond with all the faculty members and student body which gives them an encouraging and developing atmosphere to grow and enhance their skills. Her positive attitude and practical approach helps the institute reach its vision.

Assistant Director of Biyani Group of Colleges. She did her Masters in Arts (Sociology) and Masters in Education from University of Rajasthan. She did her Doctorate from Shri Jhabarmal Jagdishprasad Tibrewala University, Jhunjhunu. She is a dedicated educationist who is engrossed in building each student's strength and confidence through her compassionate nature. She is an epitome of emotional intelligence and handles interpersonal relationship judicially and empathetically within the institution.

Dr. Priyanka Biyani
PhD., MA, M.Ed.
Deputy Director

Dr. Madhu Biyani
PhD, BHMS
Deputy Director

Assistant Director of Biyani Group of Colleges and also a Medical Scientist in Kanazawa University, Japan. She has completed her Ph.D. from Saitama University, Japan. She enlightens the students and faculty members with her immense knowledge. She is also an Honorary Member of Biyani Shikshan Samiti and Jaipur Rural Health & Development Trust. She ensures that the institution and faculty members are actively contributing to the Research development and taking the institute to new heights. She is instrumental in placing the institution at global front.

LEADERSHIP THAT INSPIRES EXCELLENCE

Dr. Manish Biyani
Director (R&D)

Dr. Rajeev Biyani
Chairman

Dr. Sanjay Biyani
Director (Academics)

“ FROM THE DESK OF CHAIRMAN

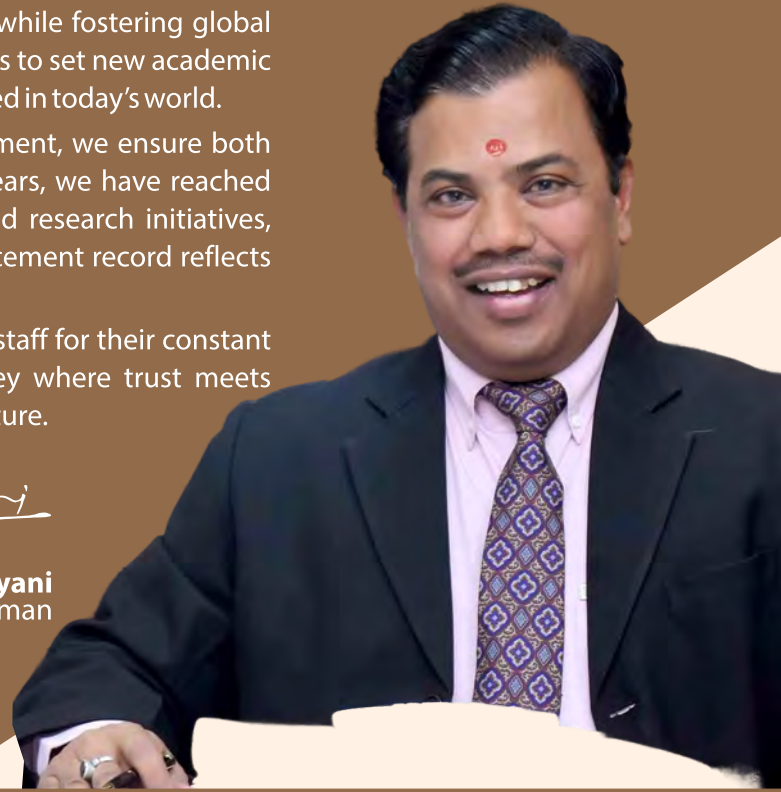

Biyani Group of Colleges stands as a symbol of academic excellence in Rajasthan, dedicated to building strong foundations while fostering global exposure through international collaborations. Our vision is to set new academic benchmarks and equip students with holistic skills to succeed in today's world.

With experienced faculty and a focus on overall development, we ensure both personal growth and academic achievement. Over the years, we have reached significant milestones through conferences, seminars, and research initiatives, creating a dynamic learning environment. Our strong placement record reflects the trust of leading organizations.

We extend our sincere gratitude to parents, students and staff for their constant support. For the coming students, welcome to a journey where trust meets excellence. Wishing you success and a fulfilling academic future.

Dr. Rajeev Biyani
Chairman

“ FROM THE DESK OF DIRECTOR (ACADEMICS)

Welcome to Biyani Group of Colleges. As the Academic Director, I am delighted to be part of your journey of learning and growth. Our institution is committed not only to academic excellence but also to nurturing values, positivity, and overall development.

Through a balanced approach of academics, co-curricular activities, leadership programs, and community engagement, we help you discover your strengths and prepare for future challenges. Our curriculum emphasizes essential skills like communication, critical thinking, collaboration, and problem-solving.

Your time here is more than education. It is a transformative experience toward realizing your full potential. We look forward to support you in achieving success and fulfillment of your desired goals.

Dr. Sanjay Biyani
Director (Academics)

“ FROM THE DESK OF **DIRECTOR** (R&D)

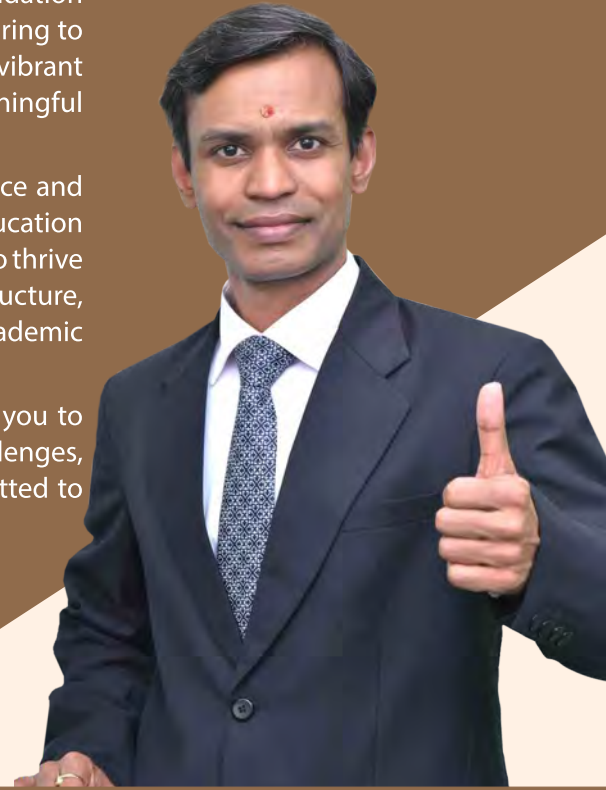

Welcome to Biyani Group of Colleges, where innovation forms the foundation of our academic ethos. As we begin a new academic year, it is inspiring to witness our students, faculty, and staff come together to create a vibrant environment that encourages creativity, critical thinking, and meaningful collaboration.

At our institution, we firmly believe in the transformative power of science and education in shaping the future. We are committed to delivering quality education that equips students with the knowledge, skills, and adaptability required to thrive in an ever-evolving global landscape. Supported by modern infrastructure, advanced technology, and a dedicated faculty, we offer diverse academic programs designed to meet varied aspirations.

As you step into this new phase of your academic journey, I encourage you to remain curious, confident, and open to new possibilities. Embrace challenges, explore opportunities, and strive for excellence. At Biyani, we are committed to supporting you in realizing your potential and shaping a successful future.

Dr. Manish Biyani
Director (R & D)

“ FROM THE DESK OF **SR. PRINCIPAL**

I am delighted to extend a warm welcome to our incoming cohort of students for the academic session 2026-27. At Biyani Group of Colleges, our unwavering commitment lies in fostering academic excellence. Our mission is to nurture individuals through a holistic, need-based, skills-integrated, and innovative educational approach. Every member of the Biyani Colleges community is dedicated to elevating the institution into a world-class university. We aim to achieve academic, professional, and research excellence through innovative, creative, collaborative, inclusive, problem-solving, and sustainable practices. With renewed enthusiasm, we will continue on this journey, providing a conducive platform for comprehensive learning to the next generation of scholars. To our new batch of students, I extend my heartfelt welcome. Remember, every great journey begins with a single step.

Dr. Neeta Maheshwari
Sr. Principal (BGC)

“ FROM THE DESK OF **DEPUTY DIRECTOR**

Welcome to Biyani College, an institution that goes beyond the boundaries of conventional education to nurture a truly student-centric culture grounded in excellence, innovation, and confidence building. It is my privilege, as the Assistant Director, to introduce you to a dynamic and inspiring academic environment designed to support your aspirations and future success.

At Biyani, we are deeply committed to the holistic development of our students. Through progressive teaching methodologies and a supportive learning ecosystem, we strive to unlock the unique potential within each individual. Our focus extends beyond academics to include personal growth, critical thinking, and the development of skills essential for thriving in today's competitive world.

At Biyani College, we take pride in shaping confident, capable, and responsible individuals ready to contribute meaningfully to society. We warmly welcome you to be a part of this transformative journey, where your potential is nurtured and your future is built with purpose.

Dr. Sujata Biyani
Deputy Director

“ FROM THE DESK OF **DEPUTY DIRECTOR**

Welcome to the new academic session. As you begin this journey, I encourage you to pursue excellence in education with dedication, enthusiasm, and resilience.

At our institution, we are committed to preparing students for success in a rapidly evolving professional world. Along with building strong academic foundations, we emphasize skill development, employability, and an entrepreneurial outlook, empowering students not only to seek opportunities but also to create them.

Our curriculum is thoughtfully designed to meet the changing demands of the job market while promoting holistic growth, where personal development complements professional achievement.

Dear students, remember that your potential is limitless. Welcome to Biyani Group of Colleges—where talent is nurtured and futures are shaped.

Dr. Priyanka Biyani
Deputy Director

“ FROM THE DESK OF **DEPUTY DIRECTOR**

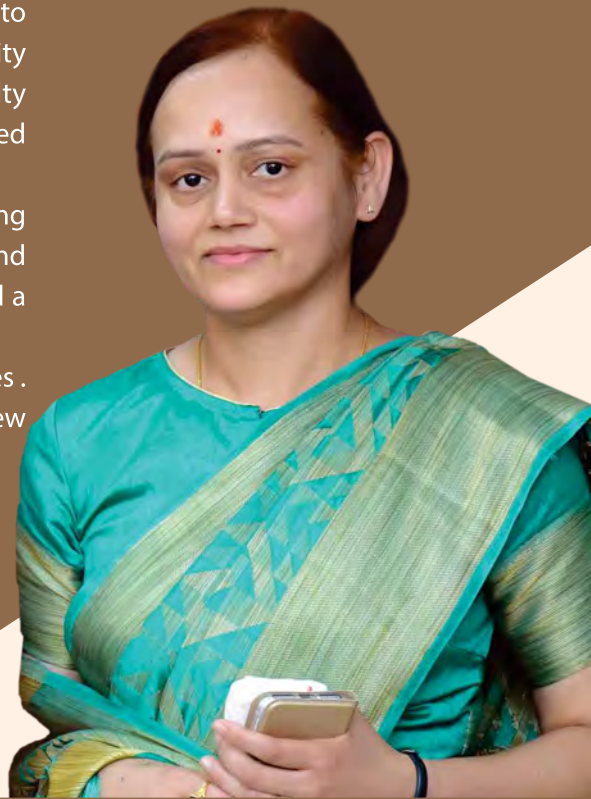

Biyani Group of Colleges stands as a beacon of excellence, committed to nurturing a dynamic learning environment and delivering high-quality education. Our institution is enriched with experienced and dedicated faculty members who strive to foster academic excellence while offering personalized guidance to every student.

We are devoted to upholding the highest educational standards and adapting to the evolving demands of a rapidly advancing world. Beyond academic and professional training, we aim to instill confidence, leadership qualities, and a strong sense of responsibility in our students.

As we welcome the incoming batch of 2026–27, I extend my heartfelt wishes. At Biyani Group of Colleges, you will find opportunities to explore new horizons and realize your true potential.

Madhu

Dr. Madhu Biyani
Deputy Director

“ FROM THE DESK OF **DEAN (ADMIN.) & PRINCIPAL**

I firmly believe that every student possesses immense potential to succeed when guided with care and supported by a positive academic environment. At Biyani Group of Colleges, we are dedicated to promoting educational excellence through a well-rounded curriculum and an inclusive atmosphere.

Our approach encourages independent thinking, holistic development, and the acquisition of strong domain knowledge along with modern skill sets. We emphasize discipline, perseverance, and integrity as the foundation for success in any career.

By fostering a sense of belonging and inspiring both students and faculty, we prepare individuals to become responsible leaders and contributors to society. Through education, we aim to shape not only careers but also character and values.

Together, we can harness the transformative power of education to create a meaningful impact on the world.

Singh

Dr. Dhyan Singh Gothwal
Dean (Administration) & Principal (BGC)
Senate Member, Govt. Nominee,
University of Rajasthan

“ FROM THE DESK OF ASSISTANT DIRECTOR

Being passionate about education goes beyond mere academic learning; it encompasses diverse experiences that shape us into global leaders. Our fundamental purpose in life is to create value - value for the society and this is what makes Science, Technology and Innovation an integral part of the sustainable society that we are creating for our future. As the next generation, we enthusiastically embrace the responsibility of promoting innovation that aligns with the needs of today's world.

True elegance lies not only in honing our professional skills but also in developing our interpersonal abilities. Drawing inspiration from my experiences in Japan, I envision a similar transformative journey for every individual at Biyani. It is my belief that every Biyanite should acquire not only technical expertise but also fundamental life lessons, empowering them to navigate the path ahead with confidence and resilience. At Biyani, we are committed to fostering a dynamic learning environment where our students become 'street-smart' rather than just 'book-smart'. Excellence is our guiding principle, and we continuously strive to empower Biyanites to excel in every facet of life.

I welcome you all to BeGyani at Biyani!

Dr. Radhika Biyani Daga
Assistant Director
(Research, Development & Global Affairs)

“ FROM THE DESK OF ASSISTANT DIRECTOR

Genuine education transcends the confines of the classroom, bridging the gap between academic learning and real-world application. By integrating theoretical knowledge with diverse industrial and corporate exposures, coupled with the refinement of soft skills, we foster holistic development encompassing the body, mind, and spirit. Our mission is to enhance societal progress by nurturing a stable and forward-thinking community. Recognizing the uniqueness of each student's journey, our vision as the second generation is to cultivate young Biyanites into future leaders.

We strive to understand the individual aspirations, potentials, and strengths of our students, empowering them to hone their entrepreneurial acumen, nurture creativity, and expand their horizons. Seize the knowledge and insights gained at Biyani and transform them into tangible realities. I extend a heartfelt welcome to you all to Biyani, where we nurture independent leaders of tomorrow. We eagerly anticipate the opportunity to meet you in person and acquaint you with the distinctive spirit that sets Biyani apart.

CA Abhishek Biyani
Assistant Director
(Institutional Growth & Student Welfare)

“ FROM THE DESK OF ASSISTANT DIRECTOR

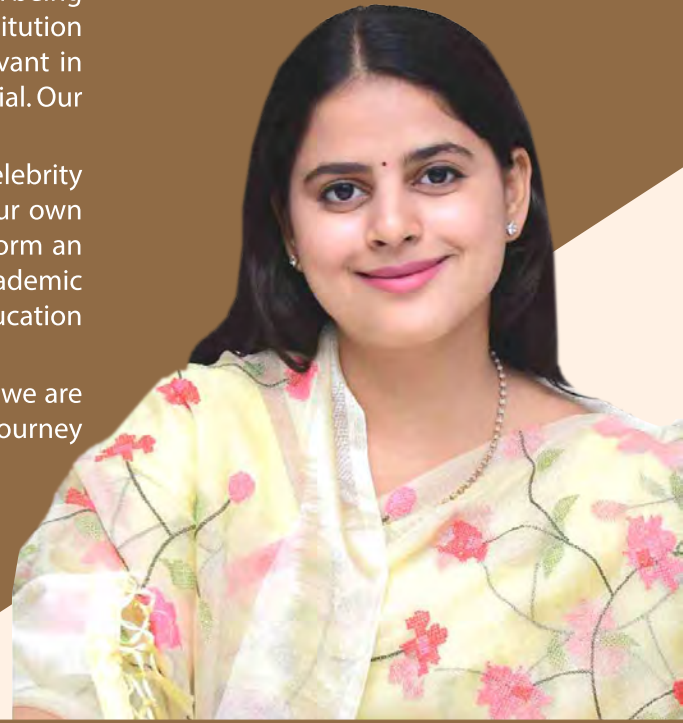

Create your path, don't follow the crowd."I warmly welcome you all to the Biyani Group of Colleges family that believes in shaping careers, nurturing character and fueling creativity. As I take immense pride in being part of this legacy at a young age of 28, my vision is to build an institution that is bold in thought, innovative in approach, and globally relevant in practice. I strongly believe that every person carries immense potential. Our responsibility is to help you discover it and transform it into success.

In today's world, it is easy to create hype with fancy facilities and celebrity visits. But we encourage to look beyond the crowd and create your own path. We believe in the power of education and how it can transform an ordinary life into extraordinary one. Therefore our key focus is on academic excellence, innovation, strategic partnerships, and value based education that prepares students for real success.

Let us grow together with purpose and integrity to create a future we are proud of. Dream Big. Work Hard. Stay Curious. Your extraordinary journey begins here.

CA Sakshi Biyani
Assistant Director

Student Oath Ceremony

I, the student of Biyani Group of Colleges, solemnly pledge with full determination and conviction that :

- I will **focus** on acquiring knowledge and skills.
- I will abide by the **disciplinary rules** and adhere to the principles of **truth** and **integrity**.
- I will love my peer group, pay **respect** and show **gratitude** towards my teachers, parents & mentors.
- I will strive hard to fulfill the **aspirations** of my parents.
- I will **update** myself with the **technological advancement** to meet the industrial demands.
- I will blend **modernity** with **traditional values** to become a successful and **devoted citizen** of the country.
- I will **respect** all my teachers and parents and will respect everyone I meet.
- I feel **proud** to be a **Biyaniite**.

Partner

GERMAN

VISION

To create globally competent individuals by empowering them with language excellence, cross-cultural understanding, and the confidence to communicate anywhere in the world.

MISSION

To deliver practical, industry-oriented language training that builds real communication skills, prepares learners for global certifications and careers, promotes cultural exposure through native interaction, and develops confident global communicators.

Research in Management

Biyani institute of Science and Management (BISMA) got its affiliation in the year 2012 from Rajasthan Technical University, Kota as a Research Center. The commencement of Ph.D. programme was inaugurated by Prof R P Yadav (Former VC of Rajasthan Technical University, Kota). on April 9, 2013. The Institute maintains a culture that favours the creation of high quality research, mainly through the recruitment of research oriented faculty and a well equipped research lab with SPSS software, mendeley, research gate software etc. It conducts the research in primary areas like Finance, Marketing, Human Resource Management. In 2026, BISMA achieved a significant milestone by being approved as a **Center of Excellence** in Research and Development by RTU, Kota. This prestigious recognition empowers the institute to spearhead advanced technical innovation high impact doctoral research in the region.

RTU approved Research Supervisors are-

- (1) Prof. Sanjay Biyani
- (2) Prof. Neeta Maheshwari
- (3) Dr. Pawan Patodiya

Dr. Surabhi Mathur & Dr. Preeti Birla have been awarded Ph.D. Degree in the year 2019. Dr. Sujata Biyani, Dr. Varsha and Dr. Bhawana Jha were awarded Ph.D. Degree in the year 2021. Dr. Lavina Dasani, Dr. Reshma Pamnani & Dr. Sonali Rajput have been awarded Ph.D Degree in 2026. Presently, 9 research scholars along with a significant number of faculty members are actively engaged in research activities and the pursuit of patent rights.

There are numerous short term projects, empirical studies, Post doctorate fellowship on which faculty members and scholars are pursuing their research work in their field of expertise :

- (A) An Evaluative study of Technology enabled SHG:- Bank linkage model for financial inclusion
- (B) Critical appraisal of the Impact of Behavioural finance on Investment decision in security market (evidence from selected Indian Equity stock in the I.T. Sector)
- (C) A study on Awareness of green marketing and buying behaviour with special reference to Rajasthan
- (D) Recent Financial and Internal Control adapted by the growth for skill development course and Impact on skill education. A study on Perception of consumers toward digital payments with special reference to selected area of Rajasthan
- (E) Corporate Social Responsibility in Indian Banking Sector
- (F) Role of Micro-Finance in Women Empowerment- A study of Women self help group
- (G) A Study of Buyers Behaviour of Fast Food Chains (With special reference to selected branded outlets in Rajasthan)
- (H) Impact of Financial Literacy in Investment Behaviour : A Comparative study of Government and Non-Government working women of selected cities of Rajasthan.
- (I) Financial Literacy and investment decisions.
- (J) Attrition and Retention: Comparative Study of BPO & Telecom Sector
- (K) A study of Obstructions before women in Diverse professions : A case study of Politics, Bureacracy and Banking in Jaipur and Ajmer.

Research in Science

Our research group 'Biyani-Bio' is a joint venture of BioSeeds Corporation(Japan Company) and Biyani BioSolutions Pvt.Ltd. (India Company). Biyani Bio's vision is to transform science from the realm of scientific laboratories to a commercialized product into the hands of people to address and resolve some of the most formidable and unreached societal environmental and healthcare challenges. We service and manufacture on-site applicable, lifesaving biologicals, in-vitro diagnostic kits, and monitoring devices with state-of-the-art portable technology.

RICCA

TEST FAST... SMART...

'Lab-free Lab-quality'

PCR-like Isothermal saliva test in **30 min**

Simple tests of infectiousness that return results in minutes and directly from samples even with low viral loads could be a potential game-changer in the fight against COVID-19. We have developed an improved isothermal nucleic acid amplification assay, termed the RICCA (RNA Isothermal Co-assisted and Coupled Amplification) reaction, that consists of a simple one-pot format of 'sample-in and result-out' with a primary focus on the detection of low copy numbers of RNA virus directly from saliva without the need for laboratory processing. In other words, RICCA is a PCR-like assay that is lab-free and gives lab-quality results in less than 30 minutes.

Zeo Mizu

Healthy Lives with Healthy Water

by Japanese Technology

Embrace the Zero-Waste, Zero-Electricity Smart Water Solution

ZeoMizu is a zeolite-based water filtration system, which ensures safe and clean drinking water for households and communities with remarkable efficiency and ease. This lightweight domestic prototype filter is fitted with four grade filters that removes not only solid impurities, toxic chemicals, odor & various disease causing bacteria/virus, but it removes multiple heavy metals and fluoride without wasting water or energy. It works on no electricity and no wastage of water.

2 Ventures, 1 Commitment :
 Healthy Lives...
 Healthy Environment

BioRun

World's first complete handheld Polyacrylamide-Gel-Electrophoresis System

- No gel preparation
- No external power supply
- 5 minute run time
- Real-time Gel documentation

BioMuRun is the all-in-one solution for Polyacrylamide Gel Electrophoresis (PAGE), offering rapid analysis of DNA and RNA in minutes. This comprehensive system ensures precise separation and visualization of nucleic acids, empowering scientists with the tools they need for accurate data interpretation and discovery. From routine laboratory tasks to research applications, this unique device provides unrivaled simplicity of use and exceptional performance capabilities.

DEPSOR-M

Sensitive by Nature, Powerful by Design

NAVIGATE THE WORLD OF
 HEAVY METAL DETECTION WITH EASE

DEPSOR is Disposable Electrochemical Printed Sensor for rapid and simultaneous testing of multiple heavy metals. It provides a portable, rapid, and cost-effective way of detection of multiple heavy metals in environmental samples. The DEPSOR is powered by disposable screen-printed electrode chips (DEP chips) and compact PC software-controlled potentiostat which is user-friendly and offers the major electrochemical measuring techniques. These key features allow DEPSOR-M as the ideal tool for regular and in-house electrochemical monitoring of traces of heavy metal pollutants in drinking and food samples with ease.

Welcome to Biyani Shikshan Samiti, a dynamic institution committed to youth empowerment through technical and professional education. We are registered under the Rajasthan Society Registration Act, 1958 (Reg. No. 500/Jaipur/1997-98). Param Pujya Shri Kirit Bhajji laid the foundation stone of the college in February 2005, marking the beginning of a transformative journey towards excellence in education and empowerment.

Our journey began in 2005 when Biyani Girls College was established, affiliated to the University of Rajasthan. It has now increased its scope of education to include more specialized and professional courses within the Biyani Group of Colleges as:

- 1 Biyani Girls College
- 2 Biyani Girls B.Ed. College
- 3 Biyani School of Nursing & Paramedical Science
- 4 Biyani Institute of Science & Management
- 5 Biyani Institute of Science & Management (Nursing)
- 6 Biyani College of Science & Management (Co-Ed.)
- 7 Biyani Law College (Co-Ed.)
- 8 Biyani Pvt. ITI (Co-Ed.)
- 9 Biyani Ayurvedic Medical College & Hospital (Co-Ed.)
- 10 Biyani Institute of Skill Development
- 11 Biyani Institute of Pharmaceutical Sciences (Co-Ed.)
- 12 Biyani Institute of Yoga & Naturopathy
- 13 Jaipur Institute of Yoga & Naturopathy (Co-Ed.)
- 14 Biyani Institute of Physical Education (Co-Ed.)
- 15 Jaipur Institute of Pharmacy (Co-Ed.)
- 16 Biyani Institute of Architecture & Design (Co-Ed.)
- 17 Biyani College of Yoga & Naturopathy (Co-Ed.)
- 18 Biyani College of B.Sc. Ayurveda Nursing (Co-Ed.)
- 19 Biyani Ayurveda Nursing Training Center (Co-Ed.)
- 20 Biyani School of Global Languages (Co-Ed.)
- 21 Biyani Homeopathic Medical College & Hospital (Co-Ed.)

At Biyani, we are dedicated to nurturing talent, fostering creativity, and shaping future leaders. Join us on this journey of education, empowerment, and excellence.

PUBLICATIONS

At Biyani Group of Colleges, we believe in the dissemination of knowledge and ideas through various publications aimed at enriching the academic and intellectual landscape. Here are some of our notable publications:

Glimpses

Our annual report, Glimpses, offers a comprehensive account of college activities, events, and student achievements throughout the academic year, reflecting our commitment to excellence and accountability.

The Student Voice

The annual publication dedicated to the inspiring life of astronaut Kalpana Chawla. Through articles and rare pictures, the publication serves as a motivational handbook for young girls highlighting the remarkable journey of a trailblazer.

Think Tank

A comprehensive study material prepared by expert faculty members across departments. It includes MCQs, case studies, assignments tailored to cater all the academic doubts of students. It also has sample questions and previous year questions to help students to excel in academics.

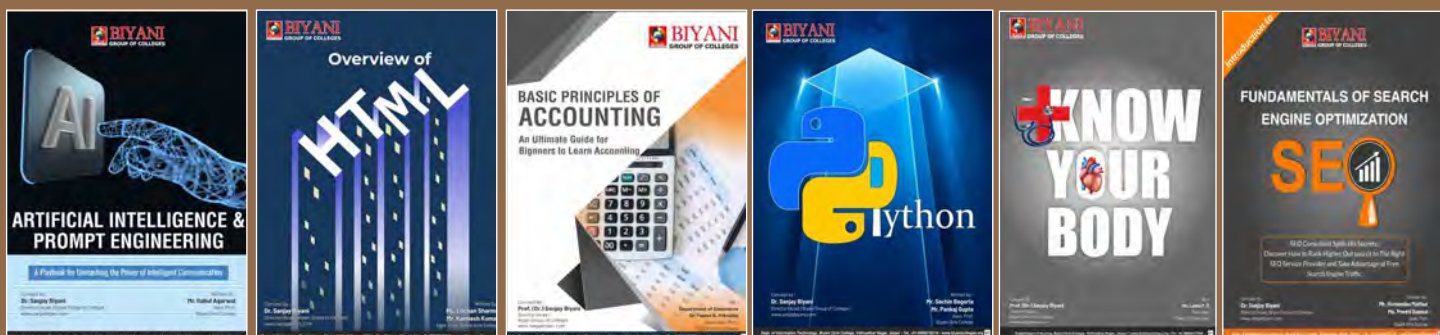

Biyani Times

A monthly newspaper with nationwide circulation of over 50,000 copies. Biyani Times delivers updated information on global events, college life, and current affairs. It contains editorials and blogs of renowned people from different areas sharing valuable insights.

Books by Prof. Sanjay Biyani

Authored by Prof. Sanjay Biyani, director in academics and an eminent author, these books contains gist of his life long journey, aiming at motivating and guiding students toward happiness and success. His books would definitely made you ponder about the meaning and purpose of life. His books that can elevate you emotionally, mentally and spiritually include 'You Can Succeed', 'How to Strengthen Mind' and many more.

Additionally, his other books such as 'Easy Approach to Income Tax', 'Easy Approach to Auditing', 'Fundamentals of Accounting', and 'Fundamentals of Finance' help students gain deeper understanding of commerce and management subjects.

SCHOLARSHIPS & AWARDS

Scholarships

At Biyani Shikshan Samiti, we believe in recognizing and rewarding academic excellence. To encourage and motivate meritorious students, we offer scholarships to deserving candidates. As part of our scholarship program, we provide tuition fee waivers to girls who have excelled in their academic pursuits. Students who secure more than 90% marks in their 12th board examinations are eligible for a 25% tuition fee waiver, while those scoring between 80-89% marks receive a 20% waiver and between 70-79% marks receive a 15% waiver in the first semester of their admission.

Kalpana Chawla Awards

In honor of the pioneering spirit and achievements of the late astronaut Kalpana Chawla, Biyani Shikshan Samiti has been organizing the Kalpana Chawla Awards for the past 19 years. This prestigious award is conferred upon girls who secure first division in their 12th board examinations.

STUDENT ENRICHMENT PROGRAMS

Various Committees

Recognizing the importance of effective management and coordination, we have established several committees to ensure smooth functioning of academic and non-academic activities. These committees include: Anti-Ragging Committee, Discipline Committee, Cultural Committee, Research Committee, Women Grievance Committee, ST/SC Grievance Committee, Environment Committee, Cleanliness and Housekeeping Committee

Personality Enhancement Programme (PEP) & Industry Oriented Programme (IOP)

Integral components of our curriculum, the Personality Enhancement Programme (PEP) and Industry Oriented Programme (IOP) are meticulously designed to enhance the overall personality and employability of our students.

Throughout the academic year, we host a series of workshops, seminars, and interactive sessions conducted by renowned professionals and industry experts. These sessions focus on a wide range of soft skills development areas including: Communication skills, Leadership qualities, Time management, Problem-solving abilities and Emotional intelligence.

Entrepreneurship Development Cell (EDC)

Our Entrepreneurship Development Cell (EDC) serves as a dynamic platform for nurturing innovative ideas and inspiring the next generation of entrepreneurs. Supported by the Government of Rajasthan, the EDC provides a conducive environment for students to ideate, innovate, and transform their entrepreneurial dreams into reality. Through a series of workshops, mentorship programs, and networking opportunities, we empower our students to embark on entrepreneurial ventures and contribute to economic growth and job creation.

National Service Scheme (NSS) initiatives

The National Service Scheme (NSS) is an integral part of the Biyani Group of Colleges in Jaipur, aimed at fostering social responsibility, leadership, and a spirit of community service among students. The institution has two NSS units serving Biyani Girls College and Biyani Law College. The program includes an annual 7-day special camp featuring activities such as yoga and meditation sessions, cleaning drives, disaster management training, cyber security awareness, bird safety initiatives, community surveys, nukkad nataks, and educational visits

Placement Support Cell (PSC)

Our Placement Support Cell (PSC) is dedicated to enhancing employability of students and facilitating their transition into the professional world. From pre-placement talks to conducting mock interviews and grooming sessions, the PSC provides comprehensive support to students at every stage of the placement process.

ICSI Study Centre

Biyani Shikshan Samiti has collaborated with the Institute of Company Secretaries of India (ICSI), Jaipur Chapter, to establish our Vidhyadhar Nagar campus as the study centre for Company Secretary courses, facilitating professional education and training opportunities for aspiring Company Secretaries.

BEYOND CLASSROOM ACTIVITIES

We believe that true learning extends beyond the confines of the classroom. To provide students with holistic development opportunities, we incorporate various extracurricular and co-curricular activities into our academic curriculum.

Morning Assembly

A unique strength (USP) of Biyani College is its daily morning assembly, which provides a positive and disciplined start to the day. The assembly includes prayer, yoga, news reading, thought of the day, and general speeches. This routine not only enhances students' mental and physical well-being but also keeps them informed and motivated. It helps in developing confidence, communication skills, and a sense of unity among students, making it an important part of holistic education at the college.

Indo-Japan Technical Internship Training Programme

Our institution takes pride in being a recognized Sending Organisation for skilled youths participating in the Indo-Japan Technical Internship Training Programme.

Monitored by the Ministry of Skill Development and Entrepreneurship, New Delhi, and the National Skill Development Council (NSDC), this program offers students invaluable opportunities to gain hands-on experience and advanced training in leading Japanese organizations, positioning them as global citizens ready to thrive in the competitive global marketplace.

Skill Development Programme

As a proactive partner in the Skill India Mission, we have established the Biyani Institute of Skill Development and Jaipur Institute of Skill and Rural Development.

These institutes offer a wide range of skill development courses up to B.Voc. level.

With a strong focus on industry-relevant skills and practical training, these programs equip our students with the competencies needed to excel in various sectors both domestically and internationally.

Industrial Visits

Our curriculum includes regular industrial visits, providing students with invaluable insights into real-world industry practices and operations. Through guided tours, interactive sessions, and hands-on experiences, students get academic learning and be future ready. Various departments have organized numerous educational visits for students, ranging from exploring the historical significance of Amber Fort to visiting the ECH Incubation Centre to help them become more proficient in technology.

Educational Excursions

Every year, we organize educational excursions to diverse destinations within India and abroad. From historical and cultural landmarks to industrial hubs and scenic locales, these excursions provide students with a platform to explore, learn, and grow beyond the confines of the classroom.

Student Council

To foster leadership skills and empower students to become future managers and leaders, we appoint a Student Council each academic year. Comprising positions such as: President, Vice President, Secretary, Joint Secretary, Cultural Head, Technical Head, Sports Head, Placement Head, Treasurer. The council is further divided into sixteen club heads, covering diverse interests including: Finance, Photography, Fashion, Media, Health, Technology, Sports, Dance, Dramatics, Environment, Mathematics, Language & Literature, Fine Arts, Music, Entrepreneurship, Research. Through participation in club activities and events, students gain ample opportunities to develop leadership skills, teamwork, and showcase their talents.

EDUCATIONAL LOANS FOR STUDENTS

At Biyani Group of Colleges, to ensure access to quality education for all, we facilitate the process of obtaining educational loans from nationalized and private banks such as : ICICI Bank, HDFC Bank, State Bank of India, Axis Bank These banks prioritize educational loans for our students based on eligibility criteria and norms. Additionally, for students residing outside Jaipur, we assist in collecting and processing loan applications through respective bank branches or offices on a priority basis. Students can also conveniently apply for educational loans through online application portals provided by various banks. For further assistance and details regarding educational loans, students are encouraged to reach out to the college.

GOVERNMENT COOPERATION AND SUPPORT

Recognizing the commendable efforts of Biyani Group of Colleges in creating opportunities and shaping the future of youth, the Government of Rajasthan has extended support to our institution. The Biyani Shikshan Samiti is on the verge of achieving the status of Biyani University, pending approval from local legislation in the upcoming session. Additionally, our institution has received funding from the Department of Science and Technology, Government of Rajasthan, for various biotechnology projects. The Department of Industries, Government of Rajasthan, has also funded the Biyani Entrepreneurship Cell and Incubation Centre to foster an entrepreneurial ecosystem within our organization. Furthermore, we are proud to be approved training partners of: NSDC (National Skill Development Corporation), AICTE, New Delhi, RSLDC (Rajasthan Skill and Livelihoods Development Corporation). These partnerships enable us to implement various skill development courses aimed at youth empowerment.

INFRASTRUCTURE

Library and E-Library

Our college library offers access to an extensive collection of over 1,10,000 books, journals, and magazines authored by renowned Indian and foreign scholars. Embracing technological advancements, we have developed an e-library providing access to e-learning resources such as audio-video lectures and e-books. Through platforms like ICSI Study Centre, www.gurukpo.com, and our college website, students can access a wide range of video lectures and educational materials. Additionally, our library holds DELNET membership, enabling access to a vast repository of journals, research papers, books, and articles.

Chemistry Laboratory

Our cutting-edge Chemistry Laboratory, which is intended to stimulate creativity and scientific achievement, is a pillar of experiential learning. The lab offers the perfect setting for students to investigate the intriguing field of chemistry through practical experimentation because it is large, well-ventilated, and well-organized. The lab is fully furnished with a variety of contemporary chemicals and necessary equipment, such as Kipp's apparatus, distillation units, analytical balances, and micro pipettes, guaranteeing a solid basis in useful methods.

Additionally, state-of-the-art tools including an electronic weighing balance, rotary shaker, ultracentrifuge, and

UV-visible spectro photo meter enable students to participate in advanced analytical work and research-focused activities. Our lab helps students close the gap between theory and practice by emphasizing practical exposure and skill development. It fosters critical thinking, precision, and innovation—preparing learners to excel in higher education, research, and diverse professional careers in chemistry and allied sciences.

Botany Laboratory

The Botany Laboratory is a lively, well-equipped lab that was carefully planned to foster curiosity and enhance knowledge of plant sciences. The lab provides an interesting and student-friendly setting for breaking down difficult botanical ideas with its extensive collection of botanical models, charts, and teaching tools. The lab is equipped with contemporary tools such a digital pH meter, rotary shaker, laminar air flow system, and digital electronic weighing balance to enhance practical exposure. With the help of these resources, students may confidently and accurately carry out a variety of analytical and experimental tasks. Along with sophisticated tools like an Electronic Microscope and Microtome, the lab also has a sizable collection of plant specimens, prepared slides, charts, and models. Students can thoroughly investigate the structure, function, and diversity of plants thanks to this extensive infrastructure. The Botany Laboratory prepares students for postsecondary education and prosperous careers in the botanical and life sciences by fostering critical thinking, a research-oriented attitude, and the development of fundamental laboratory skills through a strong emphasis on experiential learning and scientific inquiry.

Zoology Laboratory

The Zoology Laboratory is a well-established, fully furnished space intended to facilitate thorough education and cutting-edge research in the animal sciences. The laboratory successfully meets a variety of experimental and analytical needs in zoological studies thanks to its extensive collection of contemporary equipment, which includes Microtomes, Light Microscopes, Centrifuge Machines, and Electrophoresis Units. An vast collection of museum specimens, prepared slides, charts, and anatomical models further enhance the laboratory, giving students important practical and visual insights into animal diversity, structure, and function.

The lab creates an interactive and captivating learning environment by combining cutting-edge equipment with abundant biological resources. It allows students to carry out hands-on demonstrations, hone their analytical and observational abilities, and comprehend zoological concepts on a deeper level. The Zoology Laboratory prepares students for postsecondary education, research, and professional jobs in life sciences and related fields by emphasizing scientific rigor and experiential learning.

Genome Profiling (GP) Laboratory

The institution is delighted to have a cutting-edge Genome Profiling (GP) Laboratory that offers opportunity for advanced training and research in molecular biology and contemporary technologies. The laboratory guarantees a sterile and regulated environment for high-precision experimental work thanks to its fundamental infrastructure, which includes Laminar Air Flow systems, Autoclaves, Rotary Shakers, and Culture Chambers. Students can have practical experience in fundamental biotechnological procedures, such as bacterial culture, polymerase chain reaction (PCR), UV-visible spectrophotometry, and sophisticated nucleic acid amplification techniques like RICCA, at this state-of-the-art facility. The GP Laboratory enables students to delve deeply into genomic sciences with a focus on innovation, skill development, and research-oriented learning. It prepares students for postsecondary education, research jobs, and professional positions in biotechnology, molecular diagnostics, and related life science businesses by bridging theoretical understanding with practical application.

Physics Laboratory

The Physics Laboratory is a state-of-the-art, well-equipped space created to promote critical thinking and experimental competence in the physical sciences. The lab gives students access to cutting-edge tools and experimental settings necessary for thorough scientific research, covering a wide range of subjects from Digital Electronics and Semiconductor Devices to Optical Systems and Electrical Circuits. With the help of numerous display boards, circuit schematics, and useful charts, the lab establishes an interesting and dynamic learning environment. Through practical experiments and methodical observations, students are encouraged to apply their theoretical understanding to real-world situations. The Physics Laboratory gives students the technical know-how and scientific disposition needed for post secondary education, research, and a variety of occupations in physics and related technology fields. It places a heavy focus on accuracy, problem-solving, and conceptual clarity.

Computer Laboratory

With six dedicated labs housing over 700 computers, each equipped with i5 processors, we provide a dynamic learning environment where students can harness the power of modern computing technologies. Additionally, our labs feature a 24x7 leased line internet facility, ensuring uninterrupted access to online resources for both students and faculty members. Furthermore, we offer specialized labs for Microsoft Office Specialist online examinations and Tally Certification, providing students with opportunities to acquire industry-recognized credentials in software proficiency.

Geography Laboratory

Our Geography laboratory is equipped with the latest gadgets and instruments including Clinometers, Alidades, Prismatic Compasses, and Theodolites, students engage in hands-on exploration of geographical phenomena and land features. Additionally, the laboratory features 3-D maps, diagrams, and samples of rocks and minerals, providing students with immersive learning experiences. Utilizing audio-visual aids and software such as Google Earth and Bhuvan, students delve into the conceptual framework of geography, while model display exhibitions allow them to showcase their knowledge and creativity.

Japanese Language Laboratory

The Japanese Language Laboratory at Biyani is more than just a language class; it is a gateway to new opportunities, cultural enrichment, and global connectivity. Through innovative pedagogy, immersive experiences, and expert guidance from native speakers, we empower students to excel in the study of Japanese language and culture, equipping them with the skills and knowledge to thrive in an interconnected world.

English Language Laboratory

Committed to fostering proficiency in spoken and written English, we have established an English Language Laboratory equipped with state-of-the-art technology. Through comprehensive syllabi and 90 hours of training at three levels, students and faculty members undergo rigorous training to enhance their English language skills.

Nursing Laboratory

Our nursing laboratories are meticulously designed to provide comprehensive training to aspiring nurses, equipping them with the necessary skills and knowledge to excel in their profession. It cater to various aspects of nursing education, including fundamentals of nursing, anatomy, physiology, nutrition, community health nursing, medical-surgical nursing, biochemistry, microbiology, pathology, midwifery, and pediatric care, as well as audio-visual and computer labs. With 3-D charts, suction machines, pulse oximeters, oxygen cylinders, anatomical dummies, and simulated operation theater setups, our labs offer realistic clinical environments for hands-on learning and clinical demonstrations.

Radio Selfie 90.8 FM (Community Radio)

Radio Selfie 90.8 FM, an innovative initiative conceived by Prof. Sanjay Biyani, serves as a platform for education and entertainment within the local community. Designed to provide practical experience to students interested in the radio industry, the community radio offers hands-on training in various roles including radio jockey, show producer, copywriter, sound engineer, and music manager. Moreover, Radio Selfie spreads awareness and addresses social, political, and economic issues, ensuring the active participation of individuals from all walks of life.

BiyaniTV

Biyani TV, our in-house production house, is the brainchild of Prof. Sanjay Biyani, aimed at providing practical knowledge and training to students of journalism and mass communication. Equipped with facilities like multi-camera shoot setups, PCR editing, and chroma shoot capabilities, Biyani TV produces a variety of academic and knowledge-based programs catering to diverse viewership

Utsav (Auditorium)

“Utsav,” our centrally air-conditioned auditorium, serves as the focal point for all major college events and gatherings. With modern multimedia facilities and a seating capacity of over 550 people, Utsav provides an ideal venue for hosting a wide range of events including seminars, conferences, workshops, cultural programs, and academic ceremonies

Manthan (Conference Hall)

Manthan offers a versatile conference hall within our campus, accommodating up to 100 individuals. This air-conditioned facility is well-equipped to host a variety of events including meetings, conferences, guest lectures, panel discussions, and seminars. Manthan provides an ideal setting for fruitful discussions and knowledge exchange.

Cafeteria

The campus boasts a hygienic cafeteria serving a delectable array of healthy dishes throughout the day. A popular hangout spot for both hostellers and day scholars, the cafeteria offers a welcoming environment for students to relax, socialize, and refuel amidst their busy schedules.

Anand (Mess-cum Recreation Hall)

Designed to foster a sense of community and belonging, Anand serves as a dedicated mess-cum-recreation hall for hostel students. Here, students can unwind and socialize while enjoying delicious meals in a familiar and friendly atmosphere.

Transportation Services

Biyani Group of Colleges provides transportation facilities for students residing in and around Jaipur. Our efficient transport system ensures hassle-free commuting, enabling students to focus on their academic pursuits without worrying about travel logistics.

Uniform Policy

In line with our commitment to creating a disciplined atmosphere within our campus, the college has implemented a prescribed professional dress code for both students and staff members. The uniform policy fosters a sense of unity and team spirit while reinforcing the values of professionalism and academic integrity within our institution.

Hostel Accommodation

The college offers three well-appointed hostels catering to the accommodation needs of students. Located in Vidyadhar Nagar for girls and Champapura for boys, the hostels provide a comfortable and secure environment. Facilities include spacious rooms, study tables, chairs, beds, and cupboards, along with attached bathrooms in selected rooms. Hostel life at Biyani is more of a comfortable home rather than a hostel.

Hostel

With the homey yet lively atmosphere that encourages positive peer conversations, the Biyani Group of Colleges provides residential hostel facility for girls arriving from all over the country. We at Biyani Group of Colleges offer safe, secure, and friendly environment. We have 700 hostel seats available with well furnished single/double/triple/quad sharing room that are well equipped with a number of amenities.

Facilities for Hostellers

- 24x7 Conveyance facility
- Elevator
- Water Purifier
- Counseling Room
- Auditorium for cultural activities
- Manthan (Meeting Room)
- Dance Classes
- Language & Hobby Classes
- Computer Lab
- Temple
- Locker Facility
- Canteen
- 24x7 Security Guards
- CCTV Cameras
- Fire Extinguishers on each floor
- Library
- ATM facility
- Air-conditioned waiting area
- Warden for each floor
- 2/4/6 seater rooms
- Laundry & Housekeeping facility
- Activity room
- Hygienic Mess
- In-house Psychological Counselor
- Intercom Facility
- 24x7 In-house medical facility
- Tie-up with hospitals for any medical emergencies

TRAINING & PLACEMENT CELL

Overview

Placements are a crucial aspect of an institution's academic journey, serving as a bridge between students' theoretical learning and real-world application. They typically occur towards the end of a program or degree and involve students securing best employment and internships in their respective fields. The Placement Department extends invitations to top companies across various sectors to participate in ON or OFF campus recruitment drives. Eligible students are provided with

opportunities to undergo comprehensive selection procedures. The outcome of these drives is determined by the students' capabilities and performance, as well as the industry's specific requirements and standards.

HR CON CLAVE 2025

September 13-14, 2025

HR Conclave 2025 was successfully held from **September 13 to 14**, bringing together esteemed HR professionals from diverse sectors including healthcare, banking, pharmaceuticals, IT,NGO, Intenational companies.The event featured expert insights from representatives of prominent organizations such as Amar Jain Hospital,Dr. B. L institute, Gaukriti, Alisha Torrent, Directorate of local Bodies, Horiba(Japan), Indian British Council ,Ajimpremi foundation,Gaming Central,Hoping Minds, Technoviz Automation solutions, Starc Professionals.The conclave centered around the theme *“From Dream to destiny, Shaping Better Indian for a better India”*, with discussions focused on evolving career opportunities, innovative business ideas, and the future of work in a rapidly globalizing world. The event provided a valuable platform for students and professionals to gain exposure to industry trends, recruitment expectations, and entrepreneurial insights from across the globe.

CosMoS

Communication-Motivation-Sales
24th March 2026

One Day Transformative Training Programme was successfully organized for 55 Marketing Executives from across Rajasthan representing the Department of Posts.

The programme was structurally designed to enhance the marketing skills through insightful and interactive sessions on Emotional and Spiritual Quotient, Ethical Marketing, Communication Skills, Capacity Building, and the role of Social Media & Artificial Intelligence in postal services. These sessions were delivered with great insights and excellence by Prof. Sanjay Biyani, CA Abhishek Biyani, CA Sakshi Biyani, Dr. Smriti Tiwari, Mr. Hemant Bhati and Prof. Satish Handa. The event witnessed active participation and appreciation for its practical relevance and effective coordination.The programme concluded on a positive note, receiving excellent feedback and professional development of participants.

UNDER GRADUATE COURSES

BACHELOR OF SCIENCE (B.Sc.)	KEY FEATURES <ul style="list-style-type: none"> ■ Practical and research exposure through our in-house startup <i>Biyani BioSolutions Pvt. Ltd.</i> Industry-integrated learning via in-house & external internships, international exchange programmes, industrial visits, field surveys, mentorship, and startup development support (also open to students from other colleges). ■ Skill enhancement & global readiness through certification programs, NPTEL courses, technical training, and interdisciplinary project-based learning. ■ Strong academic & industry collaboration with research centres, universities and industries, along with guidance for higher education and job opportunities in India and abroad, including Japan. 	OVERVIEW <p>The B.Sc. Program at Biyani Girls College provides a dynamic interdisciplinary foundation integrating life sciences, quantitative skills, and modern biotechnological applications. Students develop strong conceptual understanding in genetics, microbiology, biochemistry, ecology, and applied mathematics, supported by hands-on laboratory training. The program enhances analytical thinking, research aptitude, and innovation, preparing learners for careers in research, healthcare, and industry. It also encourages and mentors students for higher education and research opportunities abroad, including advanced studies in Japan.</p>
DURATION 3 Years ACCREDITATION Affiliated to the University of Rajasthan ELIGIBILITY 10+2 (Senior Secondary) with Science stream from any recognized board	MAJORS : Biology Mathematics Biotechnology Certificate Courses : AI, GJPP, SWAYAM, ITT, RDT, MLS, CS (IAS/RAS) Please refer Pg. No.- 94-101	

BACHELOR OF COMMERCE (B.Com.)	KEY FEATURES <ul style="list-style-type: none"> ■ Industry-focused curriculum with practical learning (Online E filing, GST, NISM) ■ Free CS EET classes (For CS students) Internships, projects, and real-world business exposure ■ Placement assistance and career guidance ■ In-house preparation of CS Executive 	OVERVIEW <p>The B.Com Program offered by Biyani Girls College aims to develop competent commerce graduates with strong foundations in accounting, finance, law, statistics, and management. The program emphasizes analytical thinking, financial decision-making, and business understanding through academic learning and practical exposure such as case studies, projects, presentations, and experiential learning. Students gain a solid base in subjects like Financial Accounting, Cost Accounting, Business Law, Economics, Business Statistics, Management Principles, and Indian Banking & Financial System. The program focuses on professional competence, entrepreneurship, and industry-oriented learning, preparing students for careers in corporate, banking, and financial sectors and for higher academic and professional studies.</p>
DURATION 3/4 Years (NEP 2020) ACCREDITATION Affiliated to the University of Rajasthan ELIGIBILITY 10+2 (Senior Secondary) in Commerce stream or any stream from a recognized board.	Certificate Courses : AI, GJPP, SWAYAM, ITT, NISM, MLS, CS (IAS/RAS) Please refer Pg. No.- 94-101	

BACHELOR OF BUSINESS ADMINISTRATION (BBA)	KEY FEATURES <ul style="list-style-type: none"> ■ Provide foundation for MBA and advanced management studies. ■ Prepare students for corporate roles and entrepreneurial ventures ■ Industry-focused curriculum with practical learning (Online E filing, GST, NISM) ■ Free CS EET classes (For CS students) Internships, projects, and real-world business exposure ■ Placement assistance and career guidance ■ In-house preparation of CS Executive 	OVERVIEW <p>The Bachelor of Business Administration program at Biyani Girls College is designed to build a strong foundation in management principles and business practices. The curriculum blends theoretical knowledge with practical application across areas such as marketing, finance, human resources, operations, and entrepreneurship. Through case analysis, presentations, internships, and project-based learning, students enhance their problem-solving, leadership, and communication skills. The program prepares learners to confidently enter the corporate world, launch entrepreneurial ventures, or pursue higher studies in management in India and internationally.</p>
DURATION Three-Year BBA 6 Semesters ACCREDITATION Affiliated to Rajasthan Technical University, Kota ELIGIBILITY 10+2 (Senior Secondary) with minimum 48% marks from a recognized board.	Certificate Courses : AI, GJPP, SWAYAM, ITT, NISM, MLS, Please refer Pg. No.- 94-101	

BACHELOR OF ARTS (B.A.)

DURATION	3 /4 Years (6/8 Semester) (NEP 2020)
ACCREDITATION	Affiliated to the University of Rajasthan
ELIGIBILITY	10+2 (Senior Secondary) with any stream from

KEY FEATURES:

- Industry-integrated learning via in-house external internships, industrial visits, field surveys, mentorship and startup development support (also open to students from other colleges).
- Skill enhancement & global readiness through certification programs, NPTEL courses, technical training, and interdisciplinary project-based learning.
- In-house preparation of civil services SSC and Banking.

OVERVIEW

The Bachelor of Arts (B.A.) Program provides an extensive education that is multi disciplinary in nature and aims at developing critical thinking skills, analytical skills, and social awareness in the student. The program offers different subjects like History, Political Science, Geography, Economics, Public Administration, Sociology, Psychology, etc., which are diverse in nature. The program provides the student with an in-depth understanding of society, governance, human behaviour, the economy, and global events happening around the world. We equip the student with knowledge that helps them contribute to society and nation-building through various roles in civil services, research, education, and higher studies.

CAREER OPPORTUNITIES:

A Bachelor of Arts (B.A.) degree offers career opportunities in Civil Services, Government Departments, Education, Research, Media, and the Corporate Sector. Students can prepare for UPSC, RPSC, RJS, SSC, Banking, NET/SET and other competitive examinations. It also provides scope in teaching, journalism, public administration, social work, and higher studies.

MAJORS : Geography, Pol. Science, History, Psychology, Sociology, English Lit., Public Admi., Economics
Certificate Courses : AI, GJPP, SWAYAM, ITT, MLS, CS (IAS/RAS) Please refer Pg. No.- 94-101

BACHELOR OF VISUAL ARTS (BVA)

DURATION	4 Years – Professional Course (8 Semester)
ACCREDITATION	Affiliated to the University of Rajasthan
ELIGIBILITY	10+2 (Senior Secondary) with any stream from any recognized board.

KEY FEATURES

- Key features include hands-on training, portfolio development, art history, and industry-aligned projects
- Focus on technical proficiency, artistic, and analytical skills necessary for careers as artists, designers, or creative directors
- Annual exhibition & Art Galleries Visits
- Our students' work is presented at JKK, RIC, Kalaneri, Amer, Juneja etc
- Workshops & Demonstrations on Miniature, Folk & Traditional Practices, Phad Painting, Calligraphy etc
- Focus on skill development (Studio practice, digital software, and art techniques)
- Industry-Oriented Environment (Focus on portfolio building and live projects)

OVERVIEW

The 4-year Bachelor of Visual Arts (BVA) is a comprehensive professional undergraduate degree focusing on creative, studio-based art education. Spread over eight semesters, the curriculum combines a foundational first year with specialized training in disciplines like Applied Arts, Painting, Sculpture, Graphics, or Animation. It bridges traditional techniques with modern digital media and industry-oriented skills. The program nurtures artistic imagination and technical expertise through practical, project-based learning and theoretical art history. The department encourages experimentation and critical thinking, fostering a vibrant atmosphere of creativity and collaboration.

CAREER OPPORTUNITIES

BVA prepares graduates for creative careers as graphic designers, art directors, multimedia artists, illustrators, Art Teacher, Lecturer and curators in advertising, media, and entertainment industries. Opportunities exist in research institutes, Craft and Toys making, Textile, jewellery industries and other global creative sectors.

MAJORS : Painting | Applied Arts | Sculpture
Certificate Courses : AI, GJPP, SWAYAM, ITT, MLS, CS (IAS/RAS) Please refer Pg. No.- 94-101

As a student of the Department of Science at Biyani Girls' College, my experience has been truly enriching and transformative. One of the aspects I value the most is the strong and supportive faculty. They are always approachable and ensure that I understand concepts clearly while also guiding me in making informed decisions about my future.

The department provides abundant opportunities to explore science and technology through well-equipped laboratories and practical learning. This hands-on exposure has helped me develop a deeper understanding and genuine interest in my subjects.

I have also had the opportunity to attend various conferences, seminars, and workshops, which have broadened my perspective beyond the classroom. Interacting with experts and participating in such events has boosted my confidence and enhanced my learning experience.

Overall, my journey here has been inspiring. The positive environment encourages curiosity, growth, and innovation, preparing me to confidently pursue my goals in the field of science.

MEENAL SHARMA
B.Sc.-Biotech (2023 -2027)

BACHELOR OF COMPUTER APPLICATION (BCA)

DURATION	3/4 Years
ACCREDITATION	Affiliated to the Rajasthan Technical University, Kota
ELIGIBILITY	10+2 (Senior Secondary) with any stream from any recognized board with at least 48% marks

KEY FEATURES

- Curriculum integrated with AI-enabled tools and futuristic technologies to meet industry demands.
- Regular expert sessions, workshops, and seminars in collaboration with industry partners IBM, Honeywell, RHEL, Microsoft etc.
- Practical exposure through in-house internships, skill training, and real-time project work like :
- Attendance Management Software (AMS), Learning Management System (LMS), Payroll System, Visitor's Management System (VMS) etc.
- Focus on technical skills, placements, Certificate courses, soft skills, ethics, and overall personality development.

OVERVIEW

The Department of BCA (Computer Science) offers a balanced approach to education by combining strong academic foundations with practical, industry-oriented learning. The department emphasizes real-world applications through hands-on training, live projects, and in-house internships. Regular workshops, seminars, and expert sessions on emerging technologies are conducted in collaboration with industry partners like IBM, Microsoft, RHEL etc. With a strong focus on placements, students receive career guidance, technical training, and skill development support. AI-enabled, futuristic learning practices are integrated into the curriculum; ensuring students are industry-ready while promoting their overall professional and personal development.

CAREER OPPORTUNITIES

After completing BCA, graduates can pursue careers as software developers, web developers, system analysts, database administrators, and IT support professionals. Opportunities are available in IT companies, start-ups, and government sectors. Graduates may also opt for higher studies such as MCA, MBA, or specialized certifications to enhance career growth.

Certificate Courses : AI, GJPP, SWAYAM, ITT, MLS Please refer Pg. No.- 94-101

B.VOC IN JOURNALISM & MASS COMMUNICATION (BJMC)

DURATION	3 Years BJMC (6 Sem.)
ACCREDITATION	Affiliated to the Vishwakarma Skill University (VSU)
ELIGIBILITY	10+2 (Senior Secondary) with any stream from any recognized board with minimum 48% marks.

KEY FEATURES:

- Practical exposure through in-House Media Platforms like Biyani TV, Biyani Radio (Radio Selfie), and Biyani Times (college newspaper).
- Hands-on Training & experience in news reporting, editing, photography, videography, media production, event coverage, and media campaigns.

Certificate Courses : AI, GJPP, SWAYAM, ITT, MLS Please refer Pg. No.- 94-101

B. VOC IN FASHION DESIGNING (FD)

DURATION	3 Years
ACCREDITATION	Affiliated to the Vishwakarma Skill University
ELIGIBILITY	10+2 (Senior Secondary) with any stream from any recognized board with minimum 48% marks.

KEY FEATURES

- A well-structured curriculum covering design fundamentals, textiles, garment construction and trend forecasting to build strong creative and technical skills.
- Focus on practical learning through sewing, pattern making, and draping and fabric manipulation to ensure students are industry ready.
- Regular workshops on topics like styling, surface ornamentation, digital design and portfolio creation to enhance specialized skills.
- Internship with fashion brands, boutiques and designers provide exposure to real work environments and help students build professional networks.
- Guidance to create a professional portfolio showcasing designs, sketches and concepts essential for career growth.
- Focus on grooming, confidence building and communication skills to prepare students for client interactions and presentation.

OVERVIEW

Degree in Fashion Design is a skill-based program designed to provide students with both creative knowledge and practical training required in the fashion industry. The course focuses on core areas such as garment construction, textile science, pattern making, fashion illustration, and computer-aided design (CAD). Students also learn about fashion trends, merchandising, and basic marketing skills, which help them understand the business side of fashion.

The curriculum is industry-oriented, combining classroom learning with workshops, internships, and live projects to build real-world experience.

CAREER OPPORTUNITIES

Fashion design offers a wide range of career opportunities. One can work as a fashion designer, creating original clothing and accessories, or specialize as a textile designer, focusing on fabrics and prints. Careers like fashion stylist, fashion illustrator, and fashion merchandiser are also popular, involving styling shoots, sketching concepts, and managing product sales respectively. With the rise of digital platforms, roles such as fashion blogger, influencer, and visual merchandiser have gained importance. The industry also supports entrepreneurship, allowing designers to launch their own labels or boutiques.

Being an IT student, my college has played a crucial role in shaping my technical skills and overall personality. The teachers focus on building strong concepts while encouraging practical application, which has greatly improved my confidence. The IT department is supportive and ensures we have the right exposure to tools and technologies. The management is understanding and student-oriented.

My involvement in extracurricular activities and the student council has helped me develop leadership and teamwork skills. The Japanese classes have been a valuable addition, broadening my perspective and enhancing my communication abilities.

I am glad to be a part of BIYANI!

MANSI KUMAWAT
BCA (2024-27)

5 YEAR LAW (B.A. - LLB)

DURATION	5 Years (Intergrated Program)
ACCREDITATION	Affiliated to the Dr. Bhimrao Ambedkar Law University, Jaipur
ELIGIBILITY	10+2 (Senior Secondary) with minimum 50% marks for General 47% marks OBC 45% marks SC/ST candidate from any recognized board.

KEY FEATURES:

- Integrated study of Arts and Law with subjects like Political Science, Sociology, Economics, History, Constitutional Law, Criminal Law, Family Law, Administrative Law.
- Court visits, moot court competitions, mock trials, legal aid camps, seminars, and client counseling sessions for practical legal exposure.

ELIGIBILITY	Pass in 12th standard with at least 50% marks in Physics, Chemistry, and Mathematics and 50% aggregate marks. OR pass in 10+3 Diploma with Mathematics as a compulsory subject with a minimum of 50% marks. Candidates must qualify the National Aptitude Test in Architecture (NATA) conducted by COA or clear JEE Paper II (Architecture Aptitude Test).

KEY FEATURES

- Comprehensive design and studio-based learning
- Focus on creativity, innovation, and sustainability
- Practical exposure through workshops and site visits
- Training in architectural software and drafting
- Development of problem-solving and visualization skills

OVERVIEW

The Bachelor of Architecture (B.Arch) is a professional undergraduate degree program that focuses on the art and science of designing buildings and structures. It combines creativity with technical knowledge to prepare students for careers in architecture, urban planning, and design.

CAREER OPPORTUNITIES

Architect
Urban Planner
Interior Designer
Landscape Architect
Project Manager
Building Consultant
Government and Private Sector Jobs

BACHELOR OF SCIENCE AYURVEDA NURSING (B.SC. AYURVEDA NURSING)

DURATION	4 Years (3.5 Years + 6 Months Internship)
ACCREDITATION	Affiliated to Dr. Sarvepalli Radhakrishnan Rajasthan Ayurved University, Jodhpur. Recognized by Rajasthan Ayurveda Nursing Council, Jaipur
ELIGIBILITY	10+2 (Senior Secondary) in any stream from a recognized board.

- **Integrated Curriculum:** The program blends classical Ayurvedic knowledge with modern nursing sciences, anatomy, physiology, pharmacology, and patient care, ensuring a strong academic foundation.
- **Clinical Exposure:** Students receive extensive hands-on training through hospital postings, clinical rotations, and supervised practical sessions.
- **Holistic Healthcare Approach:** Emphasis is placed on preventive care, natural therapies, lifestyle management, and compassionate healing.
- **Professional Skill Development:** The course develops clinical competence, ethical values, communication abilities, and leadership skills, preparing graduates for diverse roles in hospitals, wellness centers, and community healthcare services.

OVERVIEW

The B.Sc. Ayurveda Nursing program prepares students for professional nursing careers rooted in Ayurvedic wisdom and modern healthcare practices. The course blends traditional Ayurvedic knowledge with contemporary nursing, clinical procedures, pharmacology, and patient care techniques. Strong emphasis is placed on holistic health, ethics, and compassionate service. Through structured academic instruction, laboratory work, and supervised clinical training, students develop essential practical skills. The program aims to produce competent, confident, and caring Ayurveda nursing professionals who can effectively assist physicians, promote preventive healthcare, and contribute meaningfully to integrative and community-based healthcare systems.

CAREER OPPORTUNITIES

Graduates of B.Sc. Ayurveda Nursing can work as Ayurveda staff nurses, clinical assistants, ward supervisors, community health workers, wellness coordinators, and health educators in hospitals, clinics, wellness centers, research institutions, and community healthcare programs, supporting holistic and preventive medical care.

MAJORS : Ayurveda, Nursing Care, Anatomy & Physiology, Pathology, Pharmacology, Yoga & Naturopathy.

BACHELOR OF NATUROPATHY AND YOGIC SCIENCE (BNYS)

DURATION	5.5 Years (4.5 Year + 1 Year internship)
ACCREDITATION	Affiliated to Dr. Sarvepalli Radha krishnan Rajasthan Ayurved University, Jodhpur.
ELIGIBILITY	10+2 (Senior Secondary) with Science stream (Physics, Chemistry & Biology) from a recognized board with an aggregate of 50% marks (NEET not required).

KEY FEATURES

- **Integrated Curriculum Combines** naturopathy, yoga therapy, modern medical sciences, nutrition, and lifestyle management for complete health training.
- **Practical Clinical Exposure** Provides extensive hands-on training through hospital postings, yoga therapy sessions, and clinical internships.
- **Preventive and Holistic Focus** Emphasizes disease prevention, natural healing, and overall physical, mental, and spiritual well-being.
- **Career-Oriented Training** Develops professional skills for careers in clinical practice, wellness research, consultancy, education, and entrepreneurship.

OVERVIEW

The Bachelor of Naturopathy and Yogic Sciences (BNYS) program provides comprehensive education in natural healthcare and yogic science. The course integrates traditional healing systems with modern scientific understanding, focusing on preventive care, therapeutic yoga, nutrition, and healthy lifestyle practices. Emphasis is placed on both academic learning and hands-on clinical training to ensure holistic professional development. The program aims to cultivate skilled, compassionate, and ethical healthcare practitioners capable of promoting physical, mental, and spiritual well-being. With experienced faculty, modern infrastructure, and a supportive academic environment, BNYS at Biyani Girls College prepares students for successful careers in wellness, healthcare, and research.

CAREER OPPORTUNITIES

BNYS graduates can build careers as naturopathy and yoga doctors, clinical therapists, wellness advisors, health trainers, researchers, and teachers, or start their own clinics, wellness centers, spas, and holistic healthcare ventures, contributing to preventive and integrative health promotion.

MAJORS : Naturopathy, Yoga, Bio-chemistry, Anatomy & Physiology, Pathology, Pharmacology.

BACHELOR OF HOMEOPATHIC MEDICINE AND SURGERY (BHMS)

My name is Kajal Singh, and my college journey has been a transformative phase in my life. Coming from a background where I constantly strive to improve myself, college has helped me grow academically and personally.

Since joining college, I have experienced a new environment full of opportunities, challenges, and learning. Participating in activities like yoga events, debates, and competitions has improved my confidence, teamwork, and communication skills. Being selected as the Health and Yoga Club Head has been a valuable experience that strengthened my leadership qualities.

Academically, studying Mathematics, Physics, and Chemistry has enhanced my logical thinking and problem-solving abilities. I have also started learning digital skills like freelancing and content creation, which opened new paths toward independence.

I have become more disciplined, focused, and consistent in my daily routine. My English communication skills are improving, helping me express myself better.

In the future, I aim to start my own company, achieve financial independence, and build a successful, impactful life.

My name is Humera Khan, and I am currently pursuing a Bachelor of Arts (B.V.A.) degree from Biyani College. I am in my third year with a specialization in Graphic Designing, a field that allows me to blend creativity with visual communication. Graphic Designing is not just a course for me; it is my passion. Through this program, I have learned how to visually communicate ideas using design elements, colors, typography, and digital tools. The course has helped me understand branding, visual storytelling, and modern design trends.

I enjoy creating designs that are both aesthetically pleasing and meaningful. From social media creatives to branding concepts, I continuously explore new styles and techniques to improve my work. Biyani College has played a significant role in shaping my academic and personal growth. The college provides a supportive and inspiring environment where students are encouraged to explore their potential, develop their talents, and build confidence. The faculty members are highly experienced and always motivate us to think creatively and work on innovative ideas.

Being a part of this institution has helped me grow not only as a student but also as an individual. Apart from academics, I am an active member of the Student Council, where I proudly hold the position of Vice President. This role has given me the opportunity to develop leadership, communication, and organizational skills. I have been involved in managing events, coordinating with students and faculty, and representing student voices effectively. This experience has enhanced my confidence and taught me the importance of teamwork and responsibility.

HUMERA KHAN
BVA (2022-26)

<p>PG DIPLOMA IN LABOR LAW (PGDLL)</p>		<p>KEY FEATURES</p> <ul style="list-style-type: none"> ■ Specialized study of Labour Laws, Industrial Relations, Social Security Laws, Trade Union Laws, Factory Laws, and Labour Welfare Legislations. ■ Practical orientation through case studies, drafting of notices and agreements, labour court visits, and interaction with labour law practitioners. ■ Regular seminars, workshops, and guest lectures by labour law experts, industrial relations professionals, trade union representatives, and legal practitioners. ■ Focus on current labour reforms, labour codes, employee rights, workplace disputes, compliance, and human resource practices. ■ Suitable for students working professionals HR executives, and individuals interested in labour administration and industrial relations. ■ Emphasis on legal drafting, labour law compliance, conciliation procedures, and dispute resolution. 	<p>OVERVIEW</p> <p>The PG Diploma in Labour Law at Biyani Law College is a one-year specialized programme designed to provide detailed knowledge of labour and industrial laws governing employment, wages, social security, industrial disputes, and working conditions. Oorja

Student Orientation Program

OORJA is the student orientation program that marks the beginning of the academic journey at Biyani Group of Colleges. It helps students smoothly transition into college life through sessions on personality development, industry exposure, academics, and technology.

Aarambh

Fresher's Party

AARAMBH is the vibrant fresher's celebration where senior students warmly welcome the new batch into the Biyani Group of Colleges family. The event includes fun games, fashion shows, and cultural performances that help students bond, build friendships, and experience the lively campus environment.

Chanakya

Faculty Development Program

CHANAKYA is a faculty orientation program designed to introduce newly appointed educators to the academic culture and teaching methodologies of Biyani Group of Colleges. It includes sessions on curriculum practices, communication skills, personality, development and emerging technologies like AI to enhance teaching excellence.

Navyayan

Dandiya Night

Navyayan Dandiya Night is a festive celebration organized during Navratri at Biyani Group of Colleges. The evening begins with the Maha Aarti of Goddess Durga followed by vibrant performances and energetic Dandiya. It brings together students and faculty to celebrate culture, music, and togetherness.

Gyaan

Certification Programs

Gyaan offers certification programs that build professional skills and industry readiness. Courses include AI Tools, Financial Literacy, NISM, BSE Certifications, Digital Marketing, Tally, and Microsoft Office, along with value-based modules like Management Lessons from the Ramayana and Bhagavad Gita for ethical leadership.

Aabhar

Farewell

At Aabhar, we gather to bid a fond farewell to our graduating seniors and celebrate the cherished memories they have created together. It is a bittersweet moment as we reminisce about shared experiences, laughter, and friendships. Through heartfelt speeches and warm tributes, students express gratitude for the contributions of their departing classmates and wish them success and happiness in their future endeavors.

Roshni

Internship Drive

Roshni provides students with valuable internship opportunities with leading organizations in their respective fields. Through hands-on experience and live projects, students apply classroom learning to real-world situations. This initiative helps them develop practical skills, build professional networks, and prepare confidently for their careers.

Bicon

Biyani International Conference

BICON (Biyani International Conference) is a flagship event of the Biyani Group of Colleges, bringing together academicians, researchers, and industry experts from India and around the world. It serves as a platform for sharing research, ideas, and innovations while fostering collaboration between academia and industry.

Sarathi

Student Mentorship Program

Navyayan Dandiya Night is a festive celebration organized during Navratri at Biyani Group of Colleges. The evening begins with the Maha Aarti of Goddess Durga followed by vibrant performances and energetic Dandiya. It brings together students and faculty to celebrate culture, music, and togetherness.

Rajjay

Inter-College Youth Fest

Rajjay, our inter-college youth fest, celebrates creativity, talent, and youth spirit. It brings students together for exciting competitions and performances in dance, music, drama, fashion, design, and sports, while promoting collaboration and cultural exchange.

Tarang

Annual Sports Meet

Tarang, the annual sports meet at Biyani College for Science and Management, Kalwar Campus, Jaipur, is a two-day event celebrating teamwork and sportsmanship. Students participate in various indoor and outdoor games, promoting fitness, healthy competition, and team spirit.

Swad Utsav

Pre-Diwali Celebration

Swad Utsav is a lively pre-Diwali event where students set up food stalls with delicious dishes. Along with music, dance, and games, it offers practical learning in presentation, stall design, budgeting, and team work.

Taal

Annual Day & Prize Distribution

At Taal, we come together to celebrate the achievements and talents of our students. It is a night of glitz and glamour as we showcase performances and displays highlighting the diverse skills and interests within our college community. With pride and admiration, we applaud the dedication, perseverance, and passion of our students, making Taal a memorable celebration of success and talent.

Holi Faag Utsav

Holi Faag Utsav is a joyful celebration of the vibrant festival of Holi, embracing the rich cultural traditions of Rajasthan. The event brings together students and faculty to experience the spirit of festivity through traditional Faag songs, music, dance, and colorful celebrations. It creates an atmosphere of happiness, unity, and cultural appreciation, allowing students to connect with Indian traditions while celebrating the festival with enthusiasm and togetherness.

Self Defence Workshop

Workshops

Self Defence Workshops are organized to empower students with essential skills for personal safety and confidence. Students learn practical self-defence techniques, situational awareness, and strategies to respond effectively in challenging situations. These workshops build confidence, resilience, and a sense of security among students, enabling them to navigate the world with strength and independence.

Certification Course on Artificial Intelligence and Prompt Engineering

Objective

To develop practical AI knowledge, prompt engineering skills, and industry-oriented digital competencies.

Importance of AI & Prompt Engineering

- AI is transforming every field by improving productivity, automation, and innovation.
- Prompt engineering helps users generate accurate and effective results from AI tools.
- AI and prompting skills enhance learning, research, creativity, and career opportunities.

Duration : 15 Days

Teaching Methodology

- Offline interactive classes with lab access.
- Practical learning through AI tools and real-world applications.
- Case study-based assignments and AI Club activities.
- Faculty guidance, demonstrations, and hands-on training sessions.

Skills You Will Gain

- AI fundamentals and prompt engineering skills.
- Practical exposure to latest AI tools and technologies.
- Industry-oriented and future-ready digital skills.
- Better productivity, creativity, and problem-solving abilities.

Course Modules

Module 1: AI for All

- Introduction to AI and daily-life AI tools.
- Productivity, communication, and creativity tools.

Module 2: Domain-Specific AI Tools

- AI for Pharmacy
- AI for Nursing
- AI for IT Professionals
- AI for Education and Research
- AI for Management and Business
- AI for Law Practitioners
- AI for Scientific Innovation

Government Job Preparation Program

Prepare for Competitive Exams Along with Your Graduation

Biyani college provides a specially designed Government Job Preparation Program for students who wish to continue their graduation while preparing for competitive examinations.

The program provides structured classroom coaching, expert guidance, regular practice, and exam-oriented preparation within the college campus itself.

Course Highlights

- Regular on-campus classes after college hours
- Experienced faculty for competitive exam preparation
- Complete study material & notes
- Weekly tests and performance analysis
- Practice sessions with previous year papers
- Guidance for career planning and exam strategy

Subjects Covered

- Quantitative Aptitude
- Reasoning Ability
- English Language
- General Knowledge & Current Affairs

Exams Covered

- SSC, LDC, Bank Po & Clerk, Railway Exams
- CET, CAT, Defence Exam MNC
- Placement Aptitude Test
- State Level Competitive Exams
- Other Government Recruitment Exams

Financial Product Expertise: In-depth understanding of Equities, Derivatives, Debt Instruments, & Mutual Funds.

Advisory Ethics: Framework for fiduciary responsibilities and conflict-of-interest management.

Job Opportunities :

Banking & Financial Services (BFSI), Stock Broking Firms, Mutual Funds Companies (AMCS), Wealth Management Firms, PMS, Research & Analytics Firms, Fintech Companies etc.

Information Technology Training (ITT)

Eligibility : For all relevant students admitted in Academic Session 2026-27

Duration : 30 Days

Module 1: Basic

Section A : MS-Word

1. Introduction to MS-Word
2. The MS-Word Ribbons and Tabs
3. Managing Documents
4. Page Formatting, Printing and Mailing

Section B : MS-Excel

1. Introduction to MS-Excel
2. Cell Referencing, Ranges and Functions
3. Working with Worksheets, Charts, Macros and Hyperlinks
4. Consolidation of Data and Data Analysis
5. Data Validation and Protection
6. Pivot Tables Reports and Pivot Chart Reports

Section C : MS-PowerPoint

1. Introduction to MS-PowerPoint
2. Parts of PowerPoint Window
3. Starting a new presentation and designing
4. PowerPoint views
5. Adding and Editing Contents
6. Working with Animation and Transition

Module 2 : Advance

Section A : MS-Office Utilities

1. Introduction to Microsoft Outlook
2. Working with MS-Calendar

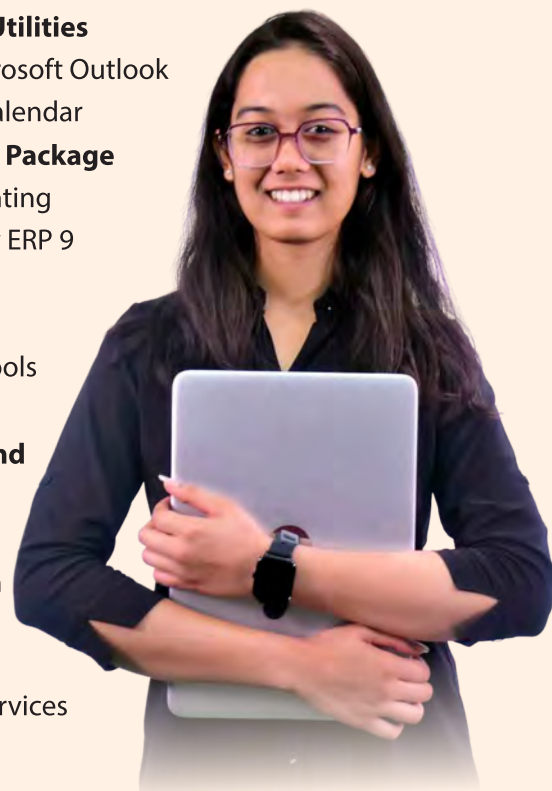

Section B : Accounting Package

1. Principles of Accounting
2. Introduction to Tally ERP 9
3. Voucher Entry
4. Generating Reports
5. Financial Analysis Tools

Section C :

Web Technology and E- Filing

1. Internet Basics
2. Internet Connection and Addressing
3. Web Technology - Social Networking Services
4. E-Filing Process

Research & Development Training (RDT)

Eligibility : Only for science students

Duration : 15 Days

Hands-on Research & Development Training on “Better Tools and Techniques for Better Innovations and Careers in Science”

1. DEPSOR based Electrochemical Sensing
2. PCR and Isothermal PCR (RPA)
3. Portable 1-inch Gel Electrophoresis
4. Aptamer-based Drug Screening
5. Medicinal plant-based Drug Screening
6. Computer Simulation and Modeling
7. Portable 3D-milling Fabrication

Motivational & Life Skill Courses (MLS)

1. Certification Course on Stress Management, Career and Parenting (CC-SMCP)

Objective : To empower an individual to understand mind, intellects, thoughts, emotions and enhance life skills, career and parenting tips.

Duration : 10 Days with 1 Hr./Day **Price :** ₹3,000

Teaching Methodology:
Under this course, we will provide following inputs -

- Recorded Videos in English and Hindi Separately
- Study Material in both English and Hindi Separately in simplified and easy language.
- Live "Problems Solving Session" with Dr. Sanjay Biyani.
- Online tests will be conducted after the completion of the course.
- The course content includes stories, real life situations using Questions-Answers Pattern.
- More than 150 Questions-Answers are available.

Skills You Will Gain: After the completion of this course -

- The content will address almost all the questions related with minds intellects, thoughts and emotional situations related with students and parents.
- You will be able to understand reasons for negative-positive thoughts and emotions in day-to-day life.
- You will be able to recognize your personal strengths and enhance your self-image.

Other Instructions:

- In order to get better result you should read questions and try to find your own answer first and then read the suggested answers provided in study notes.
- In order to get better expected outcomes you will have to read it with utmost belief and faith.
